The concept of "erotic" cinema has taken something of a tumble just lately, with a conspicuous decline in the quality – or, conversely, sexual explicitness – of X films currently on general release. However, there are a minority of sex films that excel BOTH in terms of technical quality and sexual explicitness. Firstly, there's: SWEET SEXY SAVAGE – the first ever porno western, featuring the exquisite Carol Connors and Hollywood veteran Aldo Ray.

Showing from July 8th at the Eros Cinema, Piccadilly Circus and at these cinemas: 29th July: BLACKPOOL Studio, 1st Aug.: GLASGOW Classic Grand, SHEFFIELD Classic, ROTHERHAM Classic, LEEDS Plaza, BRADFORD Cinecenta. 2nd Aug.: EDINBURGH Classic. 5th Aug.: BRISTOL Studio.
22nd Aug.: MANCHESTER Studio, LIVERPOOL Studio, CARLISLE Studio.

Secondly there's:
MORE DESIRES WITHIN YOUNG GIRLS, the follow-up to the award-winning DESIRES WITHIN YOUNG GIRLS. This features the DEVIL IN MISS JONES girl, Georgina Spelvin. Thirdly, is:
COME PLAY WITH ME 3, the third – and easily the best – of this controversial series of raunchy sex comedies.
BLUE EMMANUELLE, meanwhile, has proved to be the hottest "Emmanuelle" of them all, one certainly NOT to be missed by porno buffs!

Talking of BLUE EMMANUELLE, there is a new magazine currently on sale that's the bluest thing we've ever seen on sale in the UK. It's called BLUE CLIMAX – retails for £3 and is non-stop sex action from end to end AND it's an ALL COLOUR magazine! The snag is that it's not easy to get – being so strong it's not stocked in ANY newsagent shops. However it is stocked by all PRIVATE SEX SHOPS (see back cover for full list). In case of difficulty sent £3 for a sample copy (Subscriptions £10) requesting the all colour BLUE CLIMAX to: Mail Order Division, 34 Upton Lane, London E7. (Callers Welcome).

When you call in at a PRIVATE SEX SHOP you will also have the opportunity to buy your sex aids and magazines etc. in a pleasant informal atmosphere where you can shop around for anything connected with SEX. There are Blue Videos (for sale or rental), Blue Films, Magazines (including Direct Contact magazines which have actual addresses and phone numbers to make your sex life more rewarding), all manner and makes of Sex Aids including contraceptives and sexy undies! Perhaps your wife or girlfriend would like a gift of these superlative undies. It's fun just browsing around and in most shops now you can preview the videos you may want to buy or rent.

PS: MARY MILLINGTON'S WORLD STRIPTEASE EXTRAVAGANZA, featuring a dazzling array of the world's loveliest sex entertainers – including some household name blue comics, is showing together with 'Playbirds' and 'Desires Within Young Girls'. Making one tremendous triple X, Triple Bill. Showing NOW at the Eros Cinema, Piccadilly Circus, London and at selected cinemas throughout the U.K.

# FIRE DRIP SEX

*Amazing what can happen if you buy the right product from a sex shop, isn't it? Well Ted, who lives in London, sent us this story about what happened to him after he bought a bottle of Fire Drips at his local sex shop. We haven't changed a single word of his story. We must warn you however that it could shock some people, for it is very strong in places.*

There I was in bed with two women at the same time. Two very lovely naked women, and they were both sucking my stiff cock for all they were worth. Sue was working her darting tongue all over my balls, while Rose was sucking away at my glans, and as they were both half turned towards me, I had three fingers inside Rose's very wet cunt hole, and three fingers all the way up inside Sue's creamy cunt. Yes, it was the best sex session of my life, and all due to the fact that the day before I'd popped into my local sex shop and bought a small bottle of Fire Drips.

Let me tell you about their Fire Drips, and how I managed to get those two lovely randy ladies into bed, and then I'll tell you the kinky things the three of us got up to.

I live in this block of flats, and above me, in flat three, lives these two women. I've met them on the stairs, in the lift, and chatted to them. In the three months they've lived on top of me I have gathered the impression that they were much more than flatmates, that they were both bisexual and fucked with each other.

Of course I'd been wracking my brains as to how I could get them both in bed with me at the same time. I'd had them down in my flat for coffee and a chat, but every time I'd mentioned sex they'd both got up and left.

Well, they were nice and friendly, really lovely looking, and I was thinking up all sorts of ways of getting them both into bed with me at the same time, but it looked hopeless.

Then, I happened to walk past my local sex shop, and I saw a sign in the window saying they sold all kinds of sex aids, that they could take care of most sexual problems. I smiled, I thought my problem - how to get Sue and Rose to drop their knickers for me - was beyond the powers of anyone to solve. But I decided to go into the sex shop and have a look round just in case.

Well, they had stacks of magazines and blue films in there, and also a huge counter packed with sex aids. There were the usual vibrators and dildos and that sort of stuff, but they also had lots of small bottles with fancy names, and these bottles were supposed to help you with your actual sex. Some of the bottles claimed to keep your cock harder longer, some claimed to give the woman bigger orgasms than ever before, that sort of thing.

Well, the manager came over to me and asked if he could help. I smiled and came right out with it. I said there were two women who lived in the flat above me, I wanted to fuck them both at the same time. He smiled back at me and said that they sounded really delightful, and perhaps all they needed to jump into bed with me was a slight push in the right direction. He pointed to a bottle called Fire Drips and suggested I try it.

I asked if Fire Drips really worked. He said that if a woman was really frigid that nothing on earth could make her sexy, but that if the woman, or women, in question were sexy, but just wouldn't come across, then a few drops of Fire Drips in a cup of tea, or in a drink, would certainly do the trick. He repeated that if the woman didn't like sex then nothing would happen, but that Fire Drops just made a sexy woman relax, made her feel even more sexy. He suggested that I get Rose and Sue down to my flat for a drink, get them relaxed, put some Fire Drips in their tea or coffee, and then sit back, he said I would be very pleased with the results, that he had spoken to many people who had tried the product, and they were all well pleased with the result.

Well, I had nothing to lose, did I? So I thanked him for his advice and bought a bottle of the Fire Drips and hurried home.

I phoned Rose and asked if she and Sue would care to come down to my flat the following evening for a drink. She said they would love to. She said they loved talking with me, but she hoped I wasn't going to keep talking about sex. I glanced at the bottle of Fire Drips by the phone and promised her that I wouldn't talk about sex. Well, if the Fire Drips were as good as the manager of the sex shop claimed then I wouldn't need any talk.

The following evening, dead on eight, Rose and Sue walked into my flat, and they looked as lovely as ever. We talked about this and that, and again I got the impression that these two girls were bisexual, that they really liked making it with each other.

Well, when I made them a second cup of coffee each, I put a few drops of Fire Drips in each cup while I was out of sight of them in the kitchen. Then I took the coffee into the lounge and gave it to them.

I sat in a chair and watched as those two sexy ladies sipped their coffee. I had my fingers crossed that the Fire Drips would work. I was well aware that if their minds were dead set against sex then the stuff wouldn't work, for you can't get blood from a stone, can you. But like the manager of the sex shop had said when he had sold me that bottle of Fire Drips, if the women were sexy but just wouldn't come across, then the Fire Drips would get rid of their inhibitions and make them both want to fuck with me right there and then.

Well, those two ladies finished their coffee, and then they started to smile at me, and at each other. I noticed that a change had come over Rose's face, that she was looking sexier than ever, and I also noticed that Sue was looking rather randy.

Well, I thought the best way to get things started, if those Fire Drips were really working, was to

# "THEN ROSE PUSHED HER TONGUE ALL THE WAY INTO THAT TIGHT HOLE AND STARTED TO SUCK AND SLURP FOR ALL SHE WAS WORTH..."

work on their basic nature. They hadn't fucked with me before so there was no point in talking about that, but they had fucked with each other before, and as the Fire Drips were supposed to work on people's basic sexual habits and make them come out into the open, I thought the best way was to start talking about their liking for each other.

I started to talk about them making it with each other, and as I talked I noticed that Rose was getting really worked up, and I also realised that Sue was breathing a little more heavily. Yes I thought to myself, those Fire Drips are really working, with any luck I'll soon be in bed with these two women.

Well, the Fire Drips did work, and I thanked that manager of the sex shop - under my breath - for having sold me that bottle, for all of a sudden Rose pulled Sue to her on the sofa and started to kiss her. Yes, right in front of my eyes, in my lounge, those two women from the flat upstairs were kissing and cuddling for all they were worth. Those Fire Drips had made them feel very randy indeed, and it only remained for me to work the situation round so that I got involved in the act.

Well, Sue and Rose kissed and cuddled and touched each other on the sofa, and then Sue looked at me and said: "We feel really sexy. Would you like to watch us fuck with each other in your bedroom?"

"Only if I can join in," I replied.

"Yes, that's a great idea," nodded Sue, a look of real lust in her eyes. "I'd love to suck your cock and share out your spunk with Rose."

I smiled. That bottle of Fire Drips had been quite expensive, but it looked as if the bottle had been worth every single penny. I had been trying to make it with these two women for ages, and now, thanks to the small bottle of Fire Drips, it seemed like my dreams were going to come true. I thought if that bottle could make two women feel like that in ten minutes, then if there had been only one woman involved it would have taken half as long.

Well, I made a mental note to slip some Fire Drips into the drink of any girl who came into my flat in future, and then showed Rose and Sue into my bedroom. They still insisted that they fuck with each other first before I could join in, and that was fine with me, for I had always wanted to see - in real life - two women get it together. So I pulled up a chair by the side of the bed, made myself comfortable, and then watched as those two ladies gave me a real sexual treat.

They both undressed and got onto the bed. They were both fantastic, both had firm full breasts. Rose's nipples were red, Sue's were light pink. Rose had very little hair between her legs so her pussy lips were fully exposed. Sue had a thick bush of hair between her legs, and she was so worked up that the bush of pubic hair was all matted and sticky from where her cream had dripped down from the depths of her cunt hole.

They wasted no time at all in getting into the sixty nine position. Rose was on top, and I watched as she used her fingers and spread Sue's cunt lips wide apart, and this gave me a quick glimpse inside Sue's red wet hole. Then Rose pushed her tongue all the way into that tight hole and started to suck and slurp for all she was worth and Sue had an orgasm on the spot, and I just loved the way her thick pussy cream washed out all over Rose's lovely face.

Then Sue got into the act, she plunged her tongue into Rose's cunt hole and started to suck away like mad, and the sound of their slurping tongues as they worked on each other's cunt holes, echoed round the room, and I was having one of the sexual thrills of my life, thanks to that amazing bottle of Fire Drips.

I was watching two very lovely naked women sucking each other out, I was watching the tongues flutter in and out of the cunt holes, I could hear the loud slurping and I could smell the scent of freely running and bubbling cunt cream. Yes, it really was a thrilling sight, and it was all due to that small bottle I had bought from the sex shop.

The two girls rolled over, and they both smiled at me! "Come on," said Rose. "get your clothes off and join in."

"Yes, get on the bed," said Sue. "Rose and I will suck you off at the same time. I promise it will be the best cock sucking you've ever had in your life."

Well, every man dreams about having two women suck him off at the same time, and I was no exception, and Sue was dead right, it did turn out to be the best cock sucking session I had ever experienced, for both of those ladies were good, very good, and each one on their own would have given me a brilliant cock sucking, but put them both together and... well, it was out of this world, it really was.

I stretched out on the bed, my cock stiff and hard and throbbing like hell, and both those girls went to work on me. Sue moved right the way down and started to flick the tip of her tongue all over my balls, and I knew from the very first touch that she was an expert, there was something in the way she used her tongue which told me she had done this many times before.

Rose watched for a few seconds, obviously very turned on by the sight of Sue sucking and licking at my balls, and then she got into the act. Rose went down and her tongue, her soft wet rasping tongue, moved up and down my thick shaft and then glided over my glans.

Thrills of pleasure went rip-

# "SHE PULLED MY COCK FROM HER MOUTH..."

pling through my body, and my cock jerked and heaved like mad, the experience of having these two naked women sucking me off at the same time was such a fantastic one that I had to use every last bit of my self control to stop myself from coming on the spot.

Sue was now sucking very hard on my balls, Rose had taken my glans right the way into her mouth. It was an amazing sensation.

I reached out with my right hand and slowly pushed three fingers all the way into Rose's cunt hole. It was tight and hot in there, and also very wet, for her juices were bubbling about like anything, and as my fingers went in, Rose let my glans slip from her mouth and she sort of quivered all over. I pushed my fingers even deeper into her wonderful cunt hole, and she shouted loud and long and had this fantastic orgasm, and then, when she had recovered from that orgasm, she once again took my swollen blood filled glans into her mouth and this time she sucked harder than ever.

I reached out with my other hand and started to stroke Sue's cunt lips, and she shook and shuddered and came on the spot, I felt her cream wash out all over my fingers, and it was thick hot cream, the sort I really like.

I pushed three fingers into Sue's cunt hole and started to wank her off. It was wonderful. Sue was sucking on my balls and Rose was slurping away at my glans, and at the same time I was finger fucking those two naked women for all I was worth. No wonder I again thanked the bottle of Fire Drips under my breath, for without that bottle, without those amazing Fire Drips, this situation would never have come about.

I worked my fingers in and out of their two cunt holes, giving them climax after climax and the juices were pouring from those two love nests.

Then they changed places, and Rose went to work on my balls, while Sue sucked at my glans and shaft. I still managed to keep my fingers inside their cunt holes, and believe you me, I was flashing my fingers in and out as fast as I could make them go.

Then I decided to have a taste, so I pulled my fingers from Rose's cunt hole and placed them in my mouth and sucked them dry, and the taste was wonderful, all hot and sweet. I pushed my fingers back into her cunt and continued to wank her off, then I pulled my other hand away from Sue's pussy hole, placed them in my mouth and sucked them dry, and I found, if anything, that Sue's cunt cream was even sweeter than Rose's.

Well, both those women were working hard on my cock, and as a result my cock was harder than it had ever been before in my life, and with both their tongues flicking away, with both their mouths sucking hard and long and deep at various parts of my cock, it was no wonder that when I came I shot out a really massive stream of hot thick spunk.

Sue pulled my cock from her mouth and allowed my showering stream of sperm to go all over her face, and she used her fingers on my shaft and balls to make sure she got every last single drop of spunk from me.

It was a great sight. By the time my cock had gone limp, Sue's face was covered, and I do mean covered, with my spunk. It was in her hair, in her eyes, sticking to her cheeks and chin, and even dripping from her nose. Yes, I felt rather proud of myself, proud of the fact that I had shot out so much spunk.

"I must have some of that," said Rose.

I watched, my eyes wide open with surprise at what Rose did next, for it was the kinkiest thing I had ever seen in my life.

Rose moved in and traced the tip of her tongue up and down Sue's spunk coated nose, and she used her tongue to lap up the thick drops of spunk, and then she drank that spunk down.

Sue then used her fingers to wipe some of the spunk from her eyes, and then she placed her fingers inside her mouth and

# FIRE DRIP SEX

Continued from page 9

sucked them dry. Then Rose got into the act again, she lapped some of the spunk from Sue's forehead, and then drank the stuff down.

Then Sue wiped some of the spunk from her chin with her fingers, and once again she placed her fingers inside her mouth and sucked them dry. Then Rose licked some spunk from Sue's ears. The girls did this sort of thing over and over again till there wasn't a single drop of spunk left on Sue's face and as they shared my spunk out between them so they both had many orgasms, and the juices flowed from their cunt holes and soaked into the sheets on the bed. Yes, it goes without saying that that was the best cock sucking I had ever had, and the way the two girls shared out my spunk afterwards was nothing less than fucking amazing.

I rolled over and sat in the chair by the side of the bed, I was really exhausted. Sue and Rose were still randy, and Sue asked me if I had anything in my flat that they could wank off with. I got up and went into the lounge, and when I returned to the bedroom I was holding a huge banana in my right hand, and when Rose saw that banana she clapped her hands with pleasure and said it had been ages since she had last had a banana inside her cunt hole.

I handed the banana to Sue and then sat down in the chair again. Rose stretched out flat on her back on the crumpled sheets and opened up her long legs as wide as they would go, and I saw that her cunt lips were swollen with desire and that huge floods of thick cream were pouring from the depths of her hole, and that was a really erotic sight.

Sue held that banana in her right hand and then leaned over and she started to rub one end of the yellow fruit up and down Rose's pouting cunt lips, and Rose climaxed on the spot, she gave a huge shout, her body jerked, and she came many times over.

Sue smiled, and then she slowly, and gently, eased that banana into Rose's cunt hole, she pushed it all the way in, pushed it in as far as it would go, and again Rose climaxed all over the place as she felt her cunt become filled with thick banana.

Rose's entire naked body heaved and jerked about on the bed and Sue rammed that banana in and out of her wet and very willing cunt hole.

Then Sue pulled the banana out and handed it to me, and I took a great deal of pleasure in sucking Rose's juices from it. I then handed the banana to Rose, and this time it was Sue who stretched out on the sheets.

Rose smiled and she pushed that banana all the way into Sue's cunt and started to wank her off, and as that banana slurped and slipped in and out of Sue's quim tube I thought it about time I got into the act again and I got onto the bed and leaned over and started to run the tip of my tongue all over Rose's firm rounded bum, and she liked that so much she came on the spot.

Rose continued to push that yellow banana in and out of Sue's cunt hole, and I carried on licking and sucking at Rose's bum, then I used my fingers and pulled her bum cheeks wide apart and looked at her bum hole. Mind you, I didn't just look, for I sucked at her bum cheeks with my mouth and at the same time I pushed my little finger all the way into her tight anus, and this gave her - so she said later- one of the very best orgasms she had ever had.

Rose then pulled the banana from Sue's cunt and threw it away, then they both grabbed hold of me and played with me, they kissed and touched me all over, they sucked and licked at every single part of my body, then they licked at my cock, and pretty soon I was as hard as I had ever been.

"Right," I said, "which one of you wants to be fucked first?"

They both looked at me and smiled, and then Rose said: "You don't fuck us one at a time, we always share everything. You will fuck me for a couple of minutes, then you will take your prick from my hole and fuck Sue, then you will fuck me again, and so on and so on, pushing your cock first into one cunt hole and then the other, till you shoot your load of spunk."

"That's the best idea I've heard for ages," I said.

"When we fuck," said Sue, "we always share, we always join in with each other. We like to become really involved. When Rose and I fuck with a man then we have to be all in it together, with no one sitting on the sidelines and just watching."

Sue stretched out on the sheets, and Rose went over and sat on her face. Yes. Rose sat down so that her cunt lips covered Sue's mouth and nose, and it was obvious from the slurping sounds and from the expression on Rose's face, that Sue had her tongue all the way up inside that tight hole and was sucking away for all she was worth.

I looked down and saw that Sue's cunt was wide open with a thick stream of cunt cream coming out. I got down between her legs and slipped my hard cock into that waiting tube, and Sue shook all over as my throbbing cock filled her twat right the way up. Now I've had my cock inside a great many cunt holes in my time, but this woman's cunt was one of the tightest I had ever known, and I loved the way her thick hot cream bubbled round my shaft.

I started to fuck Sue with long, deep, slow strokes, I went nice and slow for I wanted this dual fuck to last as long as possible, and all the time I was plunging my cock in and out of Sue's cunt hole, so Sue's tongue was flicking in and out of Rose's twat tube.

I fucked Sue like that for a couple of minutes then pulled my sticky prick from her pussy. The two girls changed places. Rose stretched out, Sue sat down on her face, Rose started to suck and lick at Sue's cunt hole, and I went down and guided my cock into Rose's waiting cunt hole and

# "I PUSHED MY TONGUE INTO SUE'S WET CUNT HOLE..."

started to fuck her, and again I did it nice and slow and easy, again I just glided my cock in and out nice and gently, feeling Rose's ribbed cunt walls rasping against my shaft as I did so.

Sue was having lots of orgasms as Rose's tongue explored every single part of her cunt, and Rose was having even more orgasms as my cock slipped in and out of her pussy hole.

Then I pulled my cock out and waited for the two naked randy women to get into another position. Rose stretched out on the bed and Sue went down on her hands and knees between her legs. Sue lowered her head and pushed her tongue into Rose's cunt and started to suck away again.

I knelt behind Sue and placed my hands on the firm beautiful cheeks of her bum and then slipped my cock all the way into her cunt from the rear. It was a lovely fuck, and I really pounded my cock in and out of her wet cunt hole, then a couple of minutes later we all changed round again. It was a great way to fuck, first fucking one woman and then the other. My cock was all wet and slippery from those two cunt holes, my balls were tight as anything, my body was filled with lust and longing. One cunt after the other was fantastic, and those two women were enjoying it also.

I forget how long that fuck, or rather that dual fuck, lasted. But I was going nice and slow all the time, so it lasted for ages and ages, and then, my cock was deep inside Rose's cunt hole when I came, and she shouted loud and long as my spunk hurtled and gushed into the very depths of her tight little pussy hole.

Rose screamed again and again as more and more spunk gushed from my cock into her cunt hole, and then I pulled my limp prick from her hole and wiped it dry on her firm belly.

Rose was stretched out, legs open wide, spunk dribbling from her tight cunt. Sue gave a gasp of pleasure and before I really realised what was happening, she had dived down there and had plunged her tongue all the way into Rose's cunt hole and was slurping away for all she was worth.

Yes, it was a kinky sight, and one of the most erotic and exciting things I had ever seen in my life. Sue was actually sucking and licking all of my hot thick spunk from Rose's cunt hole, and they were both enjoying every single second of the proceedings.

Unless you have actually seen something like that then you can have no real idea of just how great it is to see one woman going down on another woman and sucking sperm from her cunt. It may sound kinky, and I suppose, to some people it may sound pretty disgusting, but all I know is that for me it was one of the very best sexual moments of my life.

Well, they sucked and licked and carried on doing that while I watched, and then they both got off the bed and went into the bathroom, and I followed them in there.

Sue went and stood under the shower and started to have a good wash, while Rose went over and sat on the loo, and she smiled when she saw that I was watching her, and said it turned her on to have a man watch her while she had a pee. I must admit it also turned me on a great deal to see the hot golden stream come washing and gurgling from her cunt hole.

Well, we all had a good shower, then went back into the bedroom. I had half expected the Fire Drips to have worn off by this time, and in fact they may well have done, but I didn't need them any more, for they had done the trick, the Fire Drips had got those two women worked up enough to fuck with me, and the fucking had turned them on so much that their natural sexual feelings had now taken over. I didn't need them, and neither did they.

We all got onto the bed and formed a daisy chain, a sucking daisy chain. I pushed my tongue into Sue's wet cunt hole, and she leaned round and pushed her tongue into Rose's warm tight twat, and Rose leaned round and took my cock into her mouth and started to suck away on it. This sucking session went on for some time, then we changed places and licked at each other's bums.

Yes, it was a great scene. I remember the last fuck of that session. I was flat on my back, Rose was sitting on my face and I was sucking out her lovely wet cunt, and Sue was sitting on my cock and bouncing up and down for all she was worth, and of

course after I had shot my load the two girls shared out my spunk between them in the same way as before. This means that Rose went down and shoved her tongue all the way into Sue's cunt and sucked my sperm out from the tight tube.

Well, my dream had come true, I had fucked with those two women, and it was all due to the fact that the manager of that sex shop had sold me that bottle of Fire Drips. I have tried them many times since with many other women and they have never let me down. They have worked every single time I have used them. Mind you, Fire Drips won't work on a frigid woman. They will only work if a woman is sexy, but isn't relaxed enough to want to fuck with you. So get some Fire Drips, get the woman in the right mood, and then slip her some Fire Drips, and believe you me the effect on her will be fantastic. From what I can gather, Fire Drips are sold at most good sex shops.

## STOP PRESS!

# PRISON FOR PORN!

In a recent appeal Court ruling **70**-year-old Lord Justice Lawton confirmed a 6 month sentence on Soho Sex businessman Christopher Holloway. The judge said 'Pornography is an evil which must be stamped out... Fines are not enough for pornographers.' This was Holloway's first offence and remember this sentence is imposed at a time when the Home Secretary (Willi Whitelaw) has made it quite clear that prisons are bursting at the seams and people should NOT be sent to prison for non-violent crimes.

If you think that this sentence is savage can we please ask you to make two phone calls in protest:

**1. Phone the Lord Chancellor (the person who appoints Justice Lawton) on 01-219 3232**

**2. The Home Office – the Controlling government office of the Prisons and Justice on 01-213 3000.**

# I DIDN'T KNOW YOU CARED

## NUMBER FIVE

*Editor: Strictly I suppose Part Two of Number Four, for if you got last month's issue you will be aware that against my better judgement I gave Sue leave to spread this particular reader's story over two parts! Something we haven't done before so I guess we had best let you in on a little detail to bring you up to date. As usual I had sent Sue Michaels armed with shorthand pad, sharpened pencil and trusty tape recorder to interview a reader who had written to us. On the surface everything should have been as usual, then I got a late night call from Sue. One she was eager to go to bed with the guy and two could she have more space to relate his story? Of course I advised against the first, never get involved with the client we say and reluctantly I agreed to the second part of the request. Enough from me, let Sue prove whether she was right.*

Okay, so I have to prove my judgement do I? That would have been difficult with the mixed emotions I felt when Donald and I faced each other on that morning in my hotel room, me well aware that for the first time I had allowed my emotions to run away with me by allowing him to make love to me! Not that the recollection of that fact was unhappy for in truth he had screwed me beautifully, taken me to the heights and ensured my utter pleasure prior to taking his own needs from me... and it's surprising how many men fail to do just that.

It occurs to me that having made the decision to continue this story I really ought to bring those who didn't get last month's mag up to date? I had met Donald in my hotel in Leicester, arranged by our editor. At first he was terribly nervous, but under my guidence relaxed to start and unfold his story, at forty five years of age he revealed how he had found himself the last one of four children at home, told of his first sexual experience whilst on National Service and his subsequent arrival at being a man over thirty years of age and still not able to erase the fact of his seeming inability to bring true satisfaction to a woman.

Just after his thirty third birthday Elizabeth, a twenty seven year old divorcee, and her seven year old daughter Paula, had moved in next door. Donald immediately taken by the beauty of Elizabeth, yet friendly as she might be she gav no indication of mutual desire.

Don had gone on to recall just how some eleven years later he had found himself closely tied to Paula, she practically offering her body on a plate and he accepting that delicious morsel. Her mother being away for the weekend visiting a sick sister, returning unexpectedly early on the Sunday afternoon to discover Donald in bed with Paula... not just in bed but actually in the process of screwing her deeply! It was at that point that we left off last month, Don tired and me happily aware of his very, very masculine presence as we went to bed... I'll skip over that fact and bring us through to the following morning when we awoke and availed ourselves of the self service facilities to make tea or coffee. Me sipping my coffee, tape recorder sensitive as Donald rubbed his bristly chin ruefully and continued his story...

## STUCK FIRMLY

I mean can you truly imagine just how I felt to be thus caught? Stuck firmly into the daughter, the mother to whom I had so long been a silent slave seeing me taking advantage of her absence? I could have crawled away and died I can tell you, failing to bring my mating with Paula to any sort of conclusion and she equally unwilling for she twisted quickly from beneath me.

"Damn... I didn't expect her home till

much later... you had better go, Donald, I'll be alright and I'll explain to her..."

Now seeing the difference in our ages I ought really to have taken more responsibility yet I chose the easy escape route and having dressed left that house to make the short trip to my own home next door.

Quite what torment I went through that evening is difficult to record, safe to say I felt awful and went to bed in a sweating state of mind as to what would be the outcome of my indiscretion with Paula. I duly went to work the following morning, feeling anything but what I was as general manager of a large group of retail outlets for I truly was embarrassed still by the fact of being so discovered by Elizabeth. It was mid morning before my secretary announced that I was due at a meeting in Newcastle on the Tuesday morning and queried whether or not I intended to travel up there that evening? I hovered over the decision, told her to check with me later and endeavoured to concentrate on work although I could not rid myself of the facts of what had occurred over the last weekend.

The 'crunch' call came at eleven, I heard Elizabeth's voice the other end of the line and my heart skipped a couple of beats, she was very calm and collected... too much so I thought!

"Donald, I think we ought to talk, can we meet?"

I hesitated, then blurted out.

"Not unless you can travel to Newcastle... I'm due there later today."

I was not, to say the least, ready for her reply. "Very well, do we go by rail or road?"

At four thirty that afternoon Elizabeth and I were aboard the train, being taken swiftly northwards by the comfort of first class travel. Events had gone quickly, having agreed with her to travel with me and instructing my secretary to book us into a central hotel near the station.

## WILD FANTASY

Our conversation on the journey was regarding anything other than that which must have been uppermost in both our minds, I stared at her fine mature figure in the close fitting pink linen suit, watching with urgent longing when she preceeded me along to the buffet car and I could detect the fine rounded form of her bottom against its thin texture, could see the outline of panties and dream wildly, if hopelessly, of what might have been. I think I had better reveal at this stage that some form of wild fantasy had caused me to tell my secretary to book me a double room, with twin beds... efficient and trained as she was she had not raised an eyebrow at that. No doubt wild stories would be now floating round the office regarding the affairs of the general manager, so what... I couldn't care less, especially after Elizabeth and I had shared a couple of double gins together, me feeling decidedly more relaxed and facing her with

more confidence.

"Can we talk about yesterday, Donald?"

Oh... so much for my confidence which seemed to drain away when faced with the reality of her actually finding me in bed with her daughter. I had nodded glumly, surprised when she smiled quite happily at my obvious discomfort.

"If you feel uncomfortable then you only have yourself to blame, Donald. From what I could see both you and my daughter were enjoying yourselves... or am I wrong?" Desperate as I was to answer that question correctly I could do no other than shrug, manage a weak "I suppose so."

At which without a word Elizabeth got up and fetched us a refill, clinked glasses with me and made a toast.

"To what you and Paula had, Don, I trust you both enjoyed yourselves."

There was an edge to that toast, an inflection in her voice that betrayed an inner feeling which I sensed she had wished to hide.

## SLIGHT PROD

"Of course, all women have feelings... have emotions which often hover near the surface and only need a slight prod from the male to bring them out into the open... do you follow me?"

I did not, shook my head slowly.

"I thought not, too wrapped up in yourself and self pity I suppose to know that I have often seen the way you looked at me, the manner of your eyes as they followed me across a room... yet it was my daughter who happened across your moment of weakness... tell me was she good... I mean did she measure up in bed? Why should I be any different to my daughter, Donald, why shouldn't I feel the same emotions as she does?"

My need to answer that query was rescued by the fact of our drawing into Newcastle station. We got a cab to the hotel and the porter took our cases to the fourth floor. Once there I suppose we both had time to take stock of the situation as it existed. I listened as she spoke far from calmly.

"I... well... I just intended to talk to you not to travel up here! Still... it matters not where we speak, what has to be said must be said..."

## EMOTION

She didn't get any further, filled with an emotion so great that it brooked no arugment I simply went across to her and taking her in my arms drew her mouth to mine and kissed her meaningfully. When we did break for air it was merely to make light remarks... "Hope you didn't bother to pack a nightdress... you won't need it..."

I sought solace in those lips, making full use of their texture as I drew her closer still and began to feel a wonderful sensation of being so close to someone I had looked upon for so long... looked upon without real hope of ever actually touching, surprised even more when she backed us from the centre of the room and lay herself back on one of the single beds. She was wearing stockings and faced with the truth of being able to slide my fingertips over the smooth soft inner flesh of her thighs I was driven to the heights of passionate longing and quickly... too quickly I suppose sought to travel over that area that I might come to terms with what awaited me at the apex of her now widened legs. I scrambled my eager fingers over the smooth texture of her scant covering, rapidly seeking to pull it to one side that I might come to terms with that which it hid from my prying hands. First one finger, then another drawn inside to sate its urgent lust... oh God, how beautiful it was to finger her cunnie, to simply stroke away at her gash as it gladly opened up to my demands and accepted my stimulation.

I looked down at her face and saw the look of utter bliss there etched as I increased the pressure of my fingers and with my other hand pushed her skirt right up around her waist. Once more I endeavoured to come to terms with her bosom, once more deflected from that purpose as she wriggled to one side and gasped at me.

"No... not there, please... down there, where you are is fine... do it to me, whatever you want there... I love that..."

So who was I to argue with the lady?. Elizabeth was suddenly wriggling beneath me to produce a stance where her exposed crotch was presented to me as she pushed up her own hips with both hands... no need for her to speak her desire for I could read her thoughts like a book and hastened to ease off her wet panties.

"Don't you know that a woman has two mouths, Donald... do I have to tell you?"

## MUSHY QUIM

Jesus, my mind finding difficulty in figuring out quite what she required of me... or did it? For as she pushed up her glistening crotch to me I knew within my mind what she wanted and wasted not a second longer in giving her that desire. Should anyone have told me before of the delights of actually licking a woman's slit then I would have surely been repulsed at the thought. However, reality was quite different for I warmed to the task as if born to the manner and was soon suckling at her mushy quim.

"Ah Don... you lovely thing... kiss me there, stick your tongue deep... make it happen darling..."

I stuck to the task, no complaints for I was truly enjoying the fact of her wet cunt lips opening up to receive my adoration as I lapped happily up and down her ever widening cleft until she orgasmed madly. There followed an extraordinary conversation between us, she propped on one elbow looking happily at me.

"Liz, over the years I've been so damned jealous of you... those men that I saw call to take you out, each one drove a stake into my heart."

So it seemed to be confession time, yet the manner in which she arched upwards to meet my greedy mouth was superb and I gratefully gave myself to the embrace until she chose to break it.

"Do you think they meant anything to me? Oh, how I wish I had been more forthcoming with you years ago... somehow I was always scared to make signs, you seemed above such things. I know now how wrong I was! Cannot escape the fear of my daughter catching you in an unguarded moment."

The time for truth had arrived, of that much I was sure. "We have to face reality, Liz... Paula was available, I took what I wanted from her and enjoyed it, not jut once either. I also know that should the opportunity arise again I would act in the same way with her."

The frankness of that statement amazed me, yet having taken it in Elizabeth smiled almost serenely.

"Is that so? Yet could I blame you... we have talked Paula and I... we are very close, have been over the years and I am well aware of her losing her virginity prior to your taking her to bed. She also enjoyed being with you, spoke in glowing terms of the thrills you gave her... my turn then to feel jealousy welling inside."

We talked some more, opening our souls to each other which had the effect of reducing us to two simple people, rather than the complex souls we had imagined ourselves to be. Seeking to renew the newfound intimacy between us I once more went to unbutton her blouse, for the third time Liz twisted clear and gave me a rueful smile.

"I'm sorry, Don... it's just that I am a little embarrassed, my breasts aren't like they used to be... give me time, I'll learn to let you soon."

With that she got off the bed, suggested that we prepare to go down to dinner. After eating we retired to the intimate little cocktail lounge, there I ordered her a brandy and had a scotch myself. It was over these drinks that she spoke gently,

"I've just thought, back there in the bedroom... I mean although you did that to me you didn't... well I'd have thought you ought to have wanted to finish as well?"

She seemed embarrassed asking the ques-

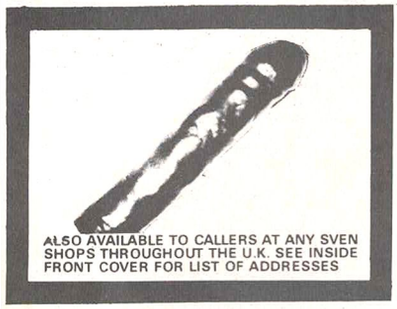
## LADY CAN'T SAY NO

# VIBRATING PENIS



ALSO AVAILABLE TO CALLERS AT ANY SVEN SHOPS THROUGHOUT THE U.K. SEE INSIDE FRONT COVER FOR LIST OF ADDRESSES

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE

tion, yet the slight flush that came to her cheeks simply served to highlight her beauty in my eyes. Strange to relate the fact of my not ejaculating, although very close to when I had kissed her quim, hadn't actually hit me until we had been sat over dinner. Indeed it was that sudden knowledge that had probably caused my suggestion as to how 'dessert' should be taken.

"I know..." I held her hand lightly. "... I know, and that's why I want to get back to our room."

She looked serious. "Don, have you any idea just how long it is since I made love?" I shook my head. "Three years... honestly it is that long... oh it's alright, I mean it's quite safe because after I had Paula something went radically wrong down there, I had to have an operation and... well it's quite safe..." After three brandies it was she who made the move, taking hold of my hand firmly and leading us back to our room.

"Darling... I have to show you... please don't touch me yet..."

That as she avoided my immediate attempt to keep us back into an embrace, I watched spellbound as she began to take off her dress. And then her brassiere. Slowly she dropped her arms, into view came her bosom... not large for certain, yet the two small mounds were centred by the largest nipples I had ever seen, light brown and jutting excitingly from her boobs.

## NICE BREASTS

"Now you see what I mean... I used to have nice breasts, they were so firm and..."

There was a touch of desperation to her voice, I took two swift strides to where she stood and at once sank my face to her nipples, dragging each in turn inside to lap them with my hot tongue. Hearing her shocked gasp at first contact, then the lower moan as she accepted my ministrations and her slender, cool fingers locked into the back of my neck to drew me closer still. I pushed her back onto the bed we had previously occupied, tore off my jacket and shirt, glowering down at her an irresistable urge took control of me. She turned her head to one side to see me dropping my slacks, kicking them off my feet and removing shoes and socks.

"Perhaps it's my turn to apologise, darling, my body isn't all that it used to be..." My voice harsh, her eyes widening as I move back to the bed and leant over to give vent to that impulse. Straightaway I took hold of my fierce erection in one hand and deliberately rubbed its taut bulb over her tight nipples, Elizabeth groaned to feel its rigid strength thus assaulting her teats. I felt at that time a tremendous sense of power, had I needed any encouragement to continue my wish then it came by way of her panting words.

"Yes Don, yes... I'm yours... do as you wish, darling... what you want I do..."

But a very short journey to take hold of my rampant cock once more and transfer its throbbing length upwards, Liz positioning her head slightly to one side propped on the pillows so that I could bring the steaming head to her mouth. I shuddered with the

thrill of having her open those warm lips of hers, to actually draw the crown inside, being able to watch the fantastic event heightened my passion as I pushed as gently as my aroused state would allow and occupied a deeper stance within her mouth. Already my balls tight in the sac, tingling almost unbearably and warning of the imminent discharge that must occur.

She must have sensed that too as my tool jerked within her lips, yet she made no move to avoid the ejaculation which came so rapidly that I doubt if I could have deflected even if that had been my desire! Little of my massive discharge actually was shed in her mouth, she barely able to cope with staying in close contact with the wriggling shaft as it spat. I felt a wave of utter happiness as I saw the shining seed lying on her cheeks, neck and breasts, she almost at once lifting up from the pillow to run her arms around my neck and seek to place her open lips upon my mouth, the semen warm and sticky between us as we entered into a kiss that was bordering on madness such was its intensity, it lasted a long time before we eventually disentangled ourselves,

## CROTCH

At last she unfastened her suspenders and rolled off her stockings sat on the edge of the so far unsused second divan, making no effort to mask away from my eager gaze the full splendour of her crotch. The light brown lips pouting out, the delicate pale pink inner flesh showing like a beacon from the centre, a signal to guide me to where I wanted to go. She took off the suspender belt, arrayed herself sexily on the bed and held out her arms to me.

With a growl I was upon her, hovering but briefly above her as I settled between her strong thighs and lovingly bought my penis to her entrance. One second I was blessedly stroking the urgent head into her quim lips, the next I was drawn deep inside as with a loud groan I fed a good three inches of pulsing cock home. Elizabeth none the less affected by the intrusion for she squealed with delight and wrapped her legs up and around my buttocks as I nudged forward and ran my prick right to the very neck of her womb. We rocked for a few seconds, seemingly both needing time to actually accept the fact of our bodies being welded together as nature decreed! The journey to my second ejaculation took little time, how could it? We clung together as my seed jetted deep to mingle with her own juices.

Come Tuesday morning and I was as stiff as a board in more ways than one. I awoke at around seven, Liz naked and half lying across my chest with an arm wrapped across my belly, my body ached and I sought to ease myself away. She half awoke, but then turned onto her back as I vacated the bed. I had a shower and then tea arrived at seven thirty by which time I was dressed. A sleepy voice made me turn.

"Hello, darling... so it did happen, it wasn't just a lovely dream?"

I assured it was not in the best possible way by going across and kissing her full on the mouth. I drank in the perfume of her body, felt her nipples as she lovingly kissed my mouth before pushing up to get out of the bed.

It was while we were drinking tea that morning that I recalled my true purpose for being up here at all! Alright so I am reasonably successful in my job, I must be to retain it, yet whereas before I had viewed this monthly meeting with the regional sales staff as a somewhat ponderous labour I felt that morning keen and alert, ready to do battle! Over breakfast Liz and I discussed our plans, she to ring through to her employer and book the rest of the week off, also to contact Paula to explain that she would be away. Before the meeting started at ten thirty I had been in touch with my secretary, explaining that I had decided to spend some 'time in the field' and would not be in the rest of the week but would notify her of my movements. We met for lunch, Liz eager to tell me that all was fixed and that we had the rest of the week available to ourselves. Apart from one thing... at first she hesitated, then came out with it.

"It's Paula, Don, I mean she is going to travel up tomorrow night... will that be alright?"

I sensed her anxiety as she awaiting my reaction, I smiled happily assured her that it would be fine and returned to my meeting as fresh as a daisy.

I gave our local manager and his secretary the job of obtaining a hire car for me, also rebooking my hotel room for the nights through to Saturday, plus a single adjoining if possible from tomorrow night. Set fair then for what should be a fabulous week? Nothing occurred to make me change my mind on that score, indeed my mind still relishes the delicious memories it bought.

## KISSING

Tuesday evening Elizabeth and I dined in the hotel, relaxed now safe in the knowledge that we could take our time, that when we grew weary we could simply go to bed together, which we did not choose to do until we had availed ourselves of a couple of hours in the nearby disco. It was good, so very good that second night together, we undressed slowly as if wishing to tease one another into a high old state of arousal before actually touching. The love making that followed was long, almost languid in nature at first, then we both began to walk faster towards our goal. Kissing, touching, petting every tiny crevice and crack before my thick penis finally split her ready quim and we

raced happily along to mutual orgasm.

Wednesday we spent visiting some of our branches in the area, not until we got back to the hotel at five did I begin to notice a certain tension in Liz's voice, she did not want to discuss the matter further at that time. We had to meet Paula at the station at eight, decided to delay our dinner until she arrived, so it was that at ten to eight we strolled the short distance to the station and sat in the bar with a vodka apiece awaiting her daughter. Dinner, once she had arrived and settled into her room next to ours, a happy enough affair yet underlying tones of doubt in existence. Liz told me in the lounge afterwards that she and Paula wanted to go upstairs to talk, it was just after ten... "Would I leave them alone until eleven?" Of course, I ordered another brandy and settled down with the local paper.

At five to eleven I made my move, took the lift to our floor and walked along to the room... what I found when I got inside made me blink, gasp and slump down into a chair. They had been busy! The two single divans pushed together to form a wide single platform, stripped of covers save for the undersheets, Liz sat by the dressing table in her underwear making finally sure her makeup and hair were perfection and Paula... well, there she was coyly pouring drinks from a half empty bottle of vodka, dressed in a short length, satin quilted dressing gown!

"We hope you don't mind, Don... I mean Mummy and I ordered the drink... we always share things you know, we always have... everything I mean..."

They were both staring at me, anxious to see what I would say... do when faced with such a proposition, for the way in which Paula had spoken left me in no doubt as to what they intended.

"Who first then?"

## NUBILE

To this day I cannot comprehend how I came out with that remark, yet I did, the reaction was immediate for it seemed to break the tension. I stared as Paula hastened to remove her dressing gown, beneath its cover she was naked and I thrilled to once more see her nubile young body being thrust confidently in my direction, nor was Liz slow to show her relief at my acceptance of the situation as she came over and sat on my knee to kiss me passionately on the mouth. Not for long, she disengaged herself and stood back smiling at me.

"We think you are decidedly overdressed, Don."

Oh God, to be handled thus! Stripped naked by two superb females, the younger one fully aware of the affect that rubbing her firm young breasts against my body as it was denuded had upon me. My cock acting as a barometer of my feelings as it arched swiftly up to its full extent, both delighted, both taking turns to handle its length before Liz chose to kneel on the beds and pull me towards her that she might begin to kiss and suckle at its length. I wonder if you, Sue, or your readers can really imagine just how I felt at that stage to be so serviced? I doubt it, for while Liz concentrated on my cock Paula was busy standing by myside, placing her

gorgeous breasts for me to fondle, winding an arm up and around my neck to draw my lips to here sweet young mouth in lustful style.

From that somewhat awkward stance we suddenly dissolved into a loving threesome on the two beds. Liz had removed her bra for her spiky nipples came into contact with my eager hands, Paula now replacing her mother as the creature wishing to show her oral appreciation of my stand. My cup runneth over? I mean to have one pair of breasts, one superb quim within my reach would have been fabulous... double it up and what do you have? Paradise as far as I was concerned as I sought to satisfy the yearning desires of both mother and daughter, fondling first one pair of youthful boobs and then transfering attention to the huge rubbery nipples of the other. Easy to touch Paula first in her hot crotch for she was naked and Liz still retained her silken panties, not for long for even as I stroked Paula's quim lips Liz was sat up removing her tiny briefs. By her manner of spreading her thighs indicating her own urgency to have me compliment her on her treasure.

## YEARNING

I found that by kneeling between the two as they stretched out on their backs I could utilise both hands to tickle into the yearning cunnies, had to shake my head to clear it for I could look down and see my fingers busily engaged in the dreamlike task. Paula had my left, Liz my right and before long they both began to writhe joyfully under the assault,

both clits being rubbed hard although I have to admit to the right being more skilful than the left! Which is no doubt why Elizabeth exploded first, trembling right up to her peak and then groaning aloud as my frantic fingers took her over the top, leaving me to concentrate on her daughter who was not that far behind in her arrival at the point of orgasm.

If I had thought that I would then be faced with a difficult problem regarding who took my seed I was wrong, without a word Elizabeth quickly arryaed her mature body beneath me, Paula indicating her immediate acceptance of the decision as she gently urged me to mount her mother. Not that I really needed any encouragement for I was close to bursting with frustrated emotion as I got aboard the quivering body, hastened to slot my throbbing knob deep into Liz's gash. I groaned, grunted and sweated as I rapidly filled her tunnel of love with my urgent flesh, could feel Paula fondling my back and buttocks as I rode home furiously. Within a couple of minutes I was there, my sperm gushing out to bathe the hot cunnie and my heart thumping wildly for I had never been so sexually aroused in all my life.

## SOFTENED TOOL

I collapsed over Liz's trembling; body as I shed my all within her greedy vagina, all three of us once more lay in a welter of heated desire as we continued to kiss and pet after my semi softened tool lost contact with the sweet confines of her pussy. I felt ten feet tall, my mood represented by the fact of m being able to re-erect within about twenty minutes, at which stage I thought that it would be a relatively simple matter to sink myself up Paula... not so. They had other ideas in mind to extend the length of our love making, they arranged themselves side by side and smiled up at me... gradually it dawned on me just what they meant by sharing, for I decided to renew the lovely occupation of Liz's cunnie, sliding so easily into the deep cleft but only for a minute or so before she easedme off that I might make the

short trip to engage into the far narrower passage of Paula's vagina! Turn by turn, neither expressing anything but utter bliss as I changed on a regular pattern until my balls once more demanded release of the renewed load of semen produced by the erotic nature of my activity.

So it was that Paula got that second dose, following which I was exhausted, simply lay back while they lulled me to sleep with frequent kisses and intimate embraces.

(Sue here! Phew, I reckon Don could have gone on talking forever, bearing in mind the editor's reluctance to give me a second bite at the cherry, so to speak, by putting this tale over two parts I switched off the recorder and indicated to him that we really ought to break up the interview. He understood and briefly finished off by telling me that he still slept regularly with Elizabeth, although the affair with her daughter had slowed considerably for she was now courting a man regularly. Knowing that I had succumbed to this man's charms the previous evening I hastened to get some miles between us... oh, not that I couldn't have fancied another session with him, simply that the editor was right... as usual, business and pleasure do not mix. I rang in from a point on my way southwards, my employer anxious that I make a detour as he had made contact with a girl called Julie from Gloucester, who was willing to talk to me about her experiences in the 'swapping' field.)

Editor: I was worried about Sue, about her involvement with Donald, happy when I received her call to say that she was away from him. Recognising in her voice the fact that she had come to her senses, routing her to meet Julie in Gloucester, knowing that she would be able to collect a 'red hot' story from the brief outline I had received. Care to join us? Easy, get next month's issue on order now! It will be the last article in this series from Sue, we hasten to add that she will be back later but every girl deserves a break.

# WHY I SHOP PRIVATE

*Why are more and more people buying their sexual hardware and magazines at the Private Sex Shops? It is a fact that they have become the largest chain of sex shops in Europe. To achieve this they must give the customer what he, or she, wants. But what exactly has Private got over the other sex shops? We sent our reporter, Ted Gunt, out and about, all over the country, to find out. He spoke to men and women of all walks of life, and came back with some very interesting quotes. This is his report, and please don't think it is dry as dust, for there are some very sexy things in it, for many people have had good sexual experiences as a result of shopping Private.*

The only complaint I heard about Private Sex Shops in my week long trip round the country was the fact that there wasn't enough of them!

Even though they have over one hundred branches up and down the country they still don't cover every major town, and the fact that some people were prepared to travel miles and miles to go to a Private Sex Shop speaks for itself.

Well, I have good news for you people, the Private Sex Shop group are opening new shops as fast as they can, and it will only be a matter of time before one opens up very close to you.

Well, let's get down to the nitty gritty, the purpose of my trip round the country was to find out why people shop Private. Some people went there for the quality of the goods, some people found that they had great sexual experiences after visiting a Private Sex Shop - in other words what they bought at the Private Sex Shop really did improve their sex lives.

But let's get down to it. This is what people said to me about Private Sex Shops and why they shop there, and how the things they bought helped their sex lives.

Bill of Swansea told me: "Private Shops? Yes, the best around, me old son, no doubt about that. They stock just about everything you could wish for. What I like about the Private Shop is that the staff don't rush you, know what I mean? You can browse round the shelves as long as you like and they don't rush you. I also like the fact that every Private Shop I've ever been inside has had a plain front which means you can't be seen from the outside. Yes, great service, good quality, value for money, is what they offer, and they have the best range in the country."

What he said was common to everyone I spoke to, they were all impressed with the quality, all of them liked the fact that you couldn't be seen from the outside, and everyone said it was a pleasure to be able to take your time without having a member of the staff breathing down your neck.

Ted from Newport told me this about his Private Sex Shop which was just around the corner from where he lived:

"They have the best sex magazines in the country. Some of their sex magazines are so hard it's a wonder how they can get away with selling them.

"I buy a couple of them each week, they have magazines from all over the world, but I usually stick to the British ones. I then take them home and me and my wife look through them together.

"It always leads to a really good fuck, for by the time she has finished looking at the pictures, pictures of naked men and women all fucking and sucking, she is as randy as hell, and she just about drags me into the bedroom and then she fucks me till the cows come home.

"She is also kinky, and she has learned all her kinks from the magazines sold at the Private Sex Shop, she tries, you see, to copy what the men and women do in the pages of the magazine.

"Only the other day I took a magazine home and we looked at it together, and one particular photo-set really got her worked up, she took me into the bedroom, we both undressed, then she told me to do to her what the man had done to the woman in the magazine.

"So I did just that, I knelt by the side of her face, took my cock in my hand, then I wanked off hard and fast, wanked off till my spunk came shooting out of my cock and showered all over her face. Yes, that had been in the magazine, and that is what I did to my wife. Like I said, I go to Private for my magazines, and the reasons for that are obvious."

Yes, they are obvious, and many people shared the same view as he did, that the magazines on sale in the Private Sex Shops are the hardest on the market at the moment. They do indeed have a vast range. Every single shop I went inside had a huge selection of hard sex magazines from all over the world.

Ned, from Glasgow, had this to say about his local Private Sex Shop. "I go there with my wife. You see she is a right little sexy thing, and she likes to wank off in front of me. She has found that the Private Sex Shops sell the best range of vibrators in the country. They are so well designed that my wife has only to push one of their vibrators into her quim and she has an orgasm. She swears by them, says they are the best.

"It is great to sit on the edge of the bed and watch as she pushes that thing in and out of her soaking wet cunt hole. She has tried other vibrators from other sex shops but they never seem to give as good a result as the ones she buys from the Private Sex Shop."

There is a very good reason for this. I got talking to one of the managers of a Private Sex Shop, and he said that as they were the biggest chain of sex shops in the country they could pick and choose whom they dealt with, and as a result they only went to the best manufacturers of sex aids, and this way they only stocked the very best, and because they could buy in bulk with their huge purchasing power they were able to get a very keen price, and thus they were able to pass this saving on to the customers, and the end result was that they could offer high quality goods at a very reasonable price.

This was backed up by what Jean, from Sunderland, told me. She is twenty four years old and a nurse:

"I feel very safe and secure going into a Private Sex Shop, for they really do encourage women to go in there. I meet and see many other women in my local Private Sex Shop, for it is a clean well lit place, and the staff are so very friendly.

"I like wanking, and I go in there every now and then to test out their latest sex aids. Last week I went in there, chatted to the manager, spoke to several of the men customers who were in the shop at the time. In fact I would say that the Private Sex Shop is almost like a meeting place for men and women who like sex. More than once I've picked up a man in there and taken him home with me and fucked with him.

"But the dildo I bought in the Private Sex Shop the other week was really something. It seemed to have been designed just for my tight cunt hole, as soon as I slipped it all the way inside my wet quim I had this huge orgasm. It felt so very good inside me.

"I wanked off really fast with it till the orgasms were powering through me, till the juices were streaming down from my cunt and soaking into the sheets on the bed. That dildo was fantastic. I will always buy my sex aids at a Private Sex Shop for that way I can be sure of getting something of very high quality at a very reasonable price."

This meeting place that she talked about was a very interesting point indeed, for I spoke to lots of people who said they enjoyed meeting other people in the shops. It seems that this policy that Private have of being clean and well run seems to attract sexy women in there on their own, women who ar elooking for sex aids and things like that.

More than one woman to whom I spoke agreed that they had met men there and the end result had been a good fuck. Now Private Sex Shops are not fronts for whores or anything like that, but if people who are interested in sex happen to meet up there then so be it.

Sheena is a model, and she poses for many men's magazines, and she met a man once in a Private Sex Shop and this is what happened to her:

"I went into the local Private Sex Shop for the simple reason that they stock just about every single magazine on the market. I go in there to see if any of the magazines are featuring my photographs. Anyway, I feel quite safe going into a Private Sex Shop, for they are very well run, and no one bothers you.

"I was in my local one a few days ago, and got talking to this man who had seen my pricture in one of the magazines. We got talking, and I liked him, so I took him home with me and we fucked and when he took his clothes off and I saw the size of his cock, I just about fainted away, for it was the biggest cock I had ever seen in my life. Well, it went into my cunt hole - just. It was a great fuck, and when he came he shot this amazing amount of spunk into my hole.

"I have found that men I meet in the Private Sex Shops, men I meet when I pop in there to buy a magazine, really are very good lovers, so good in fact that unless a man does his sexual shopping at a Private Sex Shop then I will not fuck with him."

Of course, there are other ways of meeting people. Contact magazines are one such way, and here again Private Sex Shops score over their rivals. As Peter from Leeds told me:

"I buy my contact magazines at the Private Sex Shop, for the very simple reason that they are really genuine magazines. You see, the Private Group make sure that every single contact magazine they sell is a genuine one, and I have found this to be true, for every woman I have ever written to, women who advertise in the contact magazines on sale in the Private Sex Shops, has always replied to me. In the past year I have fucked with over thirty really randy ladies, ladies I contacted through the contact magazines on sale in the Private Sex Shop."

Well, those are just a few examples of what people have to say about the Private Sex Shop group. They also mentioned their fantastic range of blue films and hard video tapes, and don't forget, they have hundreds of different sex aids in stock, they even have creams which will keep your prick harder longer.

Well, all those people can't be wrong, they were all happy with the goods and services they got at their local Private Sex Shops. Why don't you join them and find out for yourself. You'll find a full list of all the Private Sex Shops in the country on the back cover of this magazine.

# BUY A SLICE OF DANISH HARD CORE PORN~ON FILM

SUPER 8 OR VIDEO

BUY A SLICE OF DANISH HARD CORE PORN – ON FILM
For the first time in Britain, readers are offered REAL HARD CORE DANISH PORNO FILMS. All the films are high quality Super 8mm, they are a little on the expensive side, but you get what you pay for. It is impossible to make and sell genuine hard core films cheaply. You can't for instance buy champagne and caviar cheaply. The films feature, in excellent colour, every conceivable sex act – actual penetration/intercourse, ejaculations, mouth to penis oral sex, in fact the whole gamut of intimate sex acts. These films are sold for home entertainment purposes only and must not be shown publicly for gain – this is a legal requirement to allow us to actually sell these very hard core porn films.
All the films are made by Adventura Films of Denmark – a company with a reputation for the real thing. All the films are FULL 200' and run for approximately 15 minutes.
***Adventura Film Offer, 34 Upton Lane, London E7***

# THE ENCOUNTER

## BY MARK SALLE

*At first I couldn't be sure if the pressure of her firm bosom against my arm was accidental or not. Flashing lights, throbbing decibels of a disco are not really my scene. Maybe ten, fifteen years ago but now I was more for soft lights and equally soft music. Sat as we were in one corner darkness practically enveloped us, save for the odd occasion when one of the multi-coloured beams sped briefly across our position. It was deliberate! I came to that conclusion as she increased the pressure, leant even closer and whispered.*

## BLOODY

"I'm cross with Paul, he bought me and all he has done all night is dance with Mandy... do you find me attractive?"

The back hairs on my neck bristled, what a bloody fool question.

"Of course, I think you look wonderful, Elizabeth."

She giggled, giving evidence of the amount of alcohol she had consumed.

"Liz... please, only Mummy ever calls me Elizabeth and then only when she is cross with me. Not that she will be tonight, she is far too preoccupied with her latest boyfriend... do you know Mummy well?"

I nodded, told her that we were hardly old friends but that as she worked in the same office I often enough came into contact.

"Why don't we... you and me... find somewhere a bit more private, Mark... then we could talk..." She paused, giggled again. "...or whatever..."

It was the 'or whatever' that interested me, especially as I had been a more than reluctant guest at this party. I'd travelled a damned long way with a woman I had only met twice before, asked to give her a lift by Liz's mother, it was a dreary night and a steady drizzle had been falling all the way up here. I had to slip an arm around her waist to guide her steps as she stood up unsteadily, immediately I felt the warmth of her vibrant young body and knew that things were taking a turn for the better. Although I glanced around furtively as we stole out of the underground cellar I'm sure no one noticed our departure, we climbed the steep steps back to the bungalow above and sought out the kitchen. One or two couples lounging about chatting, nodding at us as we helped ourselves to a drink.

I favoured the light up here, it gave me a much better chance to study the delightful figure that Liz presented to my tired old eyes. Old? Well, thirty nine going on forty... the way people talk you would think that at that stage one foot was in the grave, sometimes I'd go along with that. Others, like now, when in the company of youth I felt better. Nor was she doing anything to alter that feeling as she leant back against the sink. Black velvet, knee-length pantaloons. The exposed area of leg very shapely and encased in white nylon, feet thrust into high heeled black shoes, sweeping my gaze upwards to see her lovely young face, framed with jet black hair cut modernly short yet still adding to the overall impression of youthful beauty. Eyes back down to the blouse, gossamer thin and doing little to hide the underlying brassiere which as far as I could tell was of flimsy construction for the darker points where her nipples pressed outwards were distinct. I dragged my eyes away and smiled at her as she sipped her drink.

"What do you want to do then?"

We played cat and mouse games for a brief spell, she coyly deflecting my aim to get her into an even quieter area of the place, yet all the time holding out a degree of hope that my most urgent desires would be met. You won't need a crystal ball to know what they were, all of them connected with certain parts of her anatomy, although in which order I contacted those I wasn't bothered just so long as I got to grips.

"Now we are alone..."

I looked around at her words, I had not noticed the others leaving and turned back as she met me. In the best possible manner with one arm up and around my neck, while her lips came straight to mine, holding a glass, as I was, precluded me engaging my hands as they wanted as I settled for the delicious thrill of her warm mouth against mine. I probed out my tongue in tentative investigation of the mood, got an immediate reply as her lips parted to accept its suggestive flickering across her even white teeth. Nor was she slow to use her own tongue when mine withdrew, so that in a minute or less we were kissing frankly, openly as I sought to put my glass on the draining door. It tumbled, clattered into the sink. Who cared? I bought a hand up between us and for a thrilling few seconds felt the firmness of her boobs, then she broke the embrace as quickly as she had commenced.

"Naughty... give a girl time, besides I don't do those things with married men..."

It was a question rather than a statement, me quick to put her right on that score. That there had been a 'Mrs' some years ago, that things hadn't worked out and that I was now a confirmed bachelor. What she heard obviously pleased her for she came back into a clinch, although each press upwards with my hands to engage her boobs met with a firm brush off. I was hoping I hadn't picked a prick teaser, anxious to establish just how far she would go when someone tapped me on the shoulder. I turned to see our host for the evening, one Dan by name who was also the aforementioned 'boyfriend' of Liz's mother.

Now 'boyfriend' was stretching it a bit, I mean it had got to be a good fifty if he was a day, still nice place he had here and plenty of booze and food lying around.

"Hi... I see you two have met, your mother was anxious about you Liz, I'll tell her not to worry, eh?"

He tipped us both a broad wink as he wandered away. Liz gaze a loud hiss of disapproval.

"God, mother does select some creeps in her travels... be an angel, Mark, find us another drinkie while I look around this place."

I did the honours, vodka for her and beer for me, wandering in the general direction she had taken without at first locating her whereabouts. It was some spread I can tell

"BOTH HANDS NOW FULLY EXMPLOYED IN THE PLEASURABLE TASK OF WEIGHING UP HER TITS..."

you, room led into room and all were well furnished and lit, I found her at the far end in a sort of study type room this one lit only by a single table lamp. We chinked glasses, drank a toast and smoked a ciggie between us. Liz seemed to reach some sort of decision for with a sudden gesture she finished her drink, took away my half empty glass and placed them both on a desk.

"Now... I think it would be in order to explore me a little, Mark."

Before I go any further let's get one thing straight shall we? I'm a bit of a bastard, by that I mean I've always the eye open for the main chance and I'm not fussy with regard to consequences. I don't mishandle women, I don't force attention on anyone showing the slightest doubt but when the opportunity presents itself I'm in with a vengeance. Try and tell me you are any different and I won't believe you.

Possibly our meaning of 'explore' would be different, if so I would soon find out. To that end I wasted no time but started to slip the buttons of her blouse, happy that we were on the same wavelength for Liz offered no word of protest, rather she assisted the operation until I could tug the opened garment from the tight fitting waist band of her trousers.

"Aren't you going to kiss me, Mark?"

Pouting prettily as she asked the question. I shook my head as I pulled the blouse wide open.

"Not while I've got a chance to seeing these."

With that I placed a hand over one enclosed boob and gave it a firm fondling, she closed her eyes and leant into me.

"That's nice... very nice..."

I ran my other hand around her back to locate the clasp, feeling the gorgeous soft silkiness of her skin as I did so, she trembling as I found my aim to rapidly unhook the simple fastening. Now what tumbled out into my fondling hand can best be described as the perfection men seek in their women, if anything Liz was 'over stacked' in the breast stakes but I was able to handle a superb pair once the flimsy bra was brushed aside.

Now I find that women fall into two definite categories as far as boobs are concerned, those that enjoy having them handled and those that tolerate it as a preliminary to other things. This one fell into the first category for the moment that I was down to naked flesh with a nipple between finger and thumb she went really crazy. Pressing her ample tits up for more which I was very, very willing to give. Both hands now fully employed in the pleasurable task of weighing up her tits, fingertips seeking to expand the fat nipples until they dug happily into my yearning palms. I've always been a tit man myself, finding those luscious globes the ideal spot to savour the wondrous difference between the sexes.

"Kiss me, Mark... please... please..."

Now possibly Liz was expecting our mouths to meet, I had another notion far more to my liking as I bent my head and quickly took one fat teat between my lips, hearing her gasp as I warmed to the task and suckled her deep. I knew a woman once who told me that my preoccupation with oral stimulation of breasts sprang from my yearning to find my real mother... oh yes, by the way I was bought up in an orphanage... I didn't really give a sod what the reasoning was, just knew that I loved to have my mouth firmly attached to a breast for it bought great comfort. That must have been conveyed to my partner for Liz was by now urging me to suck her tits as she thrust them up for approval, I approved alright and showed her so in firm style. Licking and lapping around the wonderful example of femininity she presented to me, her hands cool as they played around the back of my head urging me to orally arouse her young body. Not until I dropped a hand onto the front of her velvet trousers did she stir away, then only to pick up her empty glass.

"Hey, Mark... I'm hardly dressed to fetch a drink, would you oblige?"

Possibly my age, but there I was suggesting she might just have had enough already at which she snorted.

"Get me a drink... I know when I've had enough..."

The slurred words hardly confirming the statement, still best go along with her wishes.

"Promise not to go away?"

She smiled crookedly. "Promise... I'll not even cover up..."

GUARANTEED TO GET YOU A SWINGING CHICK FIRST TRY!

At which she flashed her remarkable boobs at me which had me hastening to fulfil her desire. Fortunately no one was around to see me as I sneaked back into the kitchen and filled the glasses, I say fortunately advisedly for my prick was already making one hell of a bulge in my slacks, I grinned to myself as I poured, counting my blessings to have latched onto this one as I carried the replenished glasses back to the far end of the bungalow. My beauty still there, awaiting my pleasure? She took her drink, gulped at it, shivered and faced me squarely. Unashamedly I stared directly at her half uncovered boobs, drank in the full splendour of those twin orbs with spiky pink nipples straining from the ends, she averting her eyes once I did drag my line of vision back to her face.

"Mark... I mean... well, do you really like me?"

I made as if to show rather than make a pretty speech but she drew back from my grasping hands, stood almost defiantly with her hands on her hips.

"No... I want you to tell me, why should Paul fancy someone else?"

Warning bells ringing in my head, I had to be careful here!

"Because he is a boy on a man's errand, you need a man, darling. Someone who can appreciate your need, treat you as you deserve and bring you fulfilment."

I waited for her reaction which soon came as she swayed back into my arms, or rather placed herself back close enough for me to renew the happy fondling on her boobs. She had latched onto only one word in my reply... 'darling'... her lips barely moving as she whispered huskily.

"Am I that then, Mark... am I your darling?"

I nodded. "Of course... why else would I be here with you?"

At that we sort of dissolved into another clinch, our mouths greedily attached and our tongues not slow to show the degree of mutual understanding and acceptance of the situation. I tried once more to take the relationship a stage further by dropping one hand to her crotch, once more met with a swift rebuff as Liz drew back from the embrace.

"Thing is... thing is, darling, that I need the loo... sorry... where is it?"

I wasn't sure on that fact, took hold of her hand and led her out of the room and into the corridor, we tried a couple of doors before we found the necessary toilet, at which she made as if to detach herself from me.

"Oh no, it took me long enough to find you, I'm not about to lose sight of you."

She must have been desperate, a look of pained anguish across her pretty face as she shrugged her shoulders.

"Alright... alright... but let me get inside before I burst..."

# THE ENCOUNTER

**Continued from page 47**

I closed the door behind us, slipped across the convenient bolt and as it went home felt a sense of triumph, Liz stood first on one foot and then the other in the centre of the well appointed bathroom.

"Please... be a gentleman... I mean I can hardly do what I want with you watching me... please, Mark?"

I duly turned my back, could only hear the suggestive sounds as Liz hurried to carry out her paramount need, not that those left me undisturbed as I stared steadfastly out of the frosted window.

"Ah... that's better... I needed that... keep your head averted please, Mark... I'm going to make full use of the bidet."

Ever wished that you had eyes in the back of your head, I did then but could only use my imagination as I heard the water running and conjured up lurid mental pictures of Liz squatting to utilise the handy bidet. The flow ofwater ceased.

"There... that's better, thank you for not looking, Mark, you can turn around now."

When I did I was immediately struck by the fact of her having pulled up her half slacks, but not having bothered to rezip the front! An invitation? Only one way to find out, that course taken without delay as I pulled her back into an embrace, lips attached and hands seeking once more to push aside the loosened bra that I might fondle her generous boobs. No objection this time as I slid a hand down and into the gaping front of the pantaloons... my fingertips brushing over the smooth expanse of her trembling belly, over her navel and lower. Struth, minute panties now the only barrier twixt me and my goal, so thin that I could easily feel the springy pubic hair beneath and hurried to wriggle my hand inside the elasticated band. A slight groan as she felt my hand seeking out her core, me sweating again as I neared the paradise of her sex, fingers tingling in the bush before sneaking around the incurve and landing on the neat lips of her quim. To me one of the best moments of any new encounter is to reach this stage, to be able to describe the outline of the cunt with slow motion ease. my fingers conveying to my excited brain the pattern of the organ at hand. She liked what I was doing, squirmed harder against me as I eased open her tight young slit. It was tight too, no slack ease to allow penetration but a necessity to finger long and hard before the darling outer labia began to dampen. Ah... at last, the utter bliss of the moment when the middle finger so long denied its pleasure slips inside the smooth orifice. Its arrival to tickle her causing a series of wriggles, almost as if Liz sought to screw herself upon the hard digit.

## "STRUTH, MINUTE PANTIES NOW THE ONLY BARRIER TWIXT ME AND MY GOAL..."

I dropped my other hand onto her bottom, feeling the lush pastures of her arse cheeks, tense and excited by the insertion of my finger up her crack as I added to her fire by dropping my mouth to once more suckle her nipples. Heavy laden now, spiky and hard as I lashed over them to drive her upwards to submission. The mind already racing ahead to seek a suitable moment to drop her to the floor, skin down her defences and plug into her gash. Now I feel sure I could have done just that, only some stupid sod began rattling the door handle! It caused Liz to pull off my finger, tug up her clothes and ask in a high pitched voice: "Who is it?"

"Me... your mother... are you alright?"

Oh God. "Yes... just a bit of an upset tummy, Mum... don't worry I'll be quite alright..."

Silence, both of us stood awaiting any reaction. Liz broke the deadlock. "Mummy... are you still there?"

No reply at which we breathed easier, she making me feel very disappointed as she began to adjust her clothes, looked into the mirror and patted her hair into place.

"Sorry... yet again Mark... look why don't we find somewhere that will mean we are not disturbed?"

When you've got a horn reaching near to your belly button, threatening to burst out of your trousers at any second, it is difficult to be logical. I simply nodded, followed as she let us out of the bathroom and walked along the corridor, my eyes attached to the happy sight of her strong bottom struggling beneath the tight fitting clothes. A warmth spreading as I recalled that so recently I had fingered around that area, my prick still rigid and throbbing as we regained the kitchen. She intent upon finding another drink while I turned over the possible locations we could make for the privacy we sought, I declined a beer knowing that I had had enough if I was going to drive... to drive? Of course! Why hadn't I thought of it before, parked outside was my motor and that had plenty of space in the interior for what I wanted to do to this young lady.

I conveyed the thought to her, she seemed agreeably impressed but excused herself from me for a while, leaving me floundering once more in the kitchen until Margaret... the woman I had bought up here appeared, surprised to see me and not wasting time in telling me so.

"Oh, there you are... I thought you'd gone home?"

I grinned sheepishly. "Why would that have mattered?"

Not prepared for the bitterness of her reply. "Not in the least... I've been offered a bed for the night by someone else, I was looking for you anyway to say I wouldn't need a lift back."

That put me in my place in no uncertain terms, I was still feeling the backlash of her icy blast when Liz reappeared beaming broadly.

"That's fixed then, easy you see... I've told Paul he doesn't have to worry about getting me back to Wolverhampton, he can concentrate on Mandy... you will take me home won't you, Mark?"

Never doubt the cleverness of women, whatever their ego, like all her sex Liz was capable of organising things to suit herself! In any case who was I to argue? The possibilities presented on a trip with her were limitless and appealed very strongly indeed, my only concern being her once again seeking out the vodka bottle to help herself generously. At the rate she was going she would keel over and that would never do. I wanted her awake for what I wanted.

Once having collected her short fur coat

# "AH, SWEET BLISS TO BE ABLE TO FINGER HER SLIT, SUCH A TIGHT LITTLE GASH WHICH ONLY GRADUALLY ACCEPTED MY THICK MIDDLE DIGIT..."

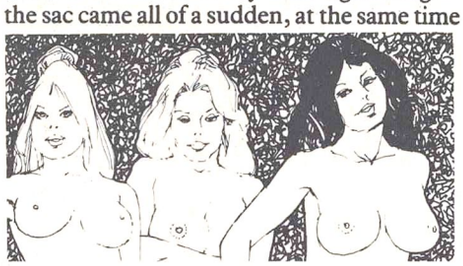
and my overcoat from the cloakroom we wasted no further time before finding my car, the night had turned even worse weather wise and as soon as we gained the interior I started up in order to get some warmth from the engine. We smoked in silence as the temperature gradually rose, the choke pushed home and the motor ticking over as I took her into myarms. I had no intentions of pussy footing around any longer, that must have been perfectly obvious to Liz as I opened up the fur wrap, undid her blouse and loosened her brassiere before even kissing her sweet lips. She was into that embrace welcomingly, groaning happily as my hand played havoc with her tits, her tongue thrusting suggestively into my mouth as once more my cock began to expand rapidly. The zip on her pantaloons gave easily enough, she wriggled her cute bottom up off the seat to facilitate my skinning down the smooth velvet, this time dragging away her skin tight panties.

Ah, sweet bliss to be able to finger her slit, such a tight little gash which only gradually accepted my thick middle digit. I began wondering just how many times this modern miss had actually been sexed! Wild notions of the possibility of her still retaining virginith only served to heighten my emotions as I redoubled my efforts on her now dampening orifice, accompanied by ever increasing gasps from her lips. My pecker was demanding fresh air, I slid down the fly, scooped my throbbing prick out gratefully and took hold of her left hand to place it upon the rigid length.

"Oh... oh golly, Mark, isn't it big?"

To which I could well have replied something along the lines of it would be better to screw her with, however I refrained from such comment in favour of renewing oral contact with her heaving titties. Tongue lashing her nipples while she thrilled me with increasing confidence upon my penis, long, cool fingers wrapping around and tentatively stroking the fat organ.

We must have made quite a scene as we caressed wildly across the front seats, she half undressed and me with my trousers and underpants around my knees. The old familiar sensation of my balls tightening in the sac came all of a sudden, at the same time



I appreciated that her hand had taken a firmer grip and was moving in deliberate masturbation stule. Oh no... I wanted the back seat now! Too late! She squealed, I groaned, as a thick stream of rich cream jetted out of my pole. I seemed to come for ages,spraying my seed all around until at last her hand jerked out the final dregs. Inwardly I cursed myself for allowing it to happen, hurried to locate a box of tissues in the glove compartment.

"Aren't men lucky, Mark... I mean to have that sort of safety valve?"

Silly young girl! That sticky mess I was now endeavouring to mop up had been intended to grace the very depths of her vagina not the fresh air. She took a handful of tissues, rubbed herself and then pulled up her panties and trews. I felt a glimmer of hope as she merely pulled her coat around her body without any attempt to fasten blouse and bra. The decision to move made when another couple came out from the party and took up residence in a car directly in front of mine, I noted that they had the good sense to occupy the rear seat from the outset.

We both grinned as I switched on my headlights, the furtive pair breaking from what was a pretty hectic embrace until we

# THE ENCOUNTER

**Continued from page 55**

## "SHE SORT OF SQUIRMED DOWN IN THE SEAT AND SPLAYED HER LEGS..."

had swung my car into the road and sped off into the night. For starters I wasn't that sure of the way which meant that I had to concentrate on my driving, that made difficult for Liz reached over and thrust a hand into my open crotch, the underpants and trousers merely pulled up not fastened. She was proving to be remarkably adept at handling my cock, fingers lovingly playing with the now softened length as I twice nearly made the hedge!

"Mark... I've often had a wild dream about doing these things." Her comment as I gave a sigh of relief to reach a major road, relax back in my seat as we moved beneath the overhead lighting.

"What things?"

Her hand tightened around my rehardening prick, gave it a playful tug. "Like this... only in my dream the driver only keeps one hand on the wheel, oh... he really does do some lovely things with the other..."

I caught her mood right enough, dropped the speed to a respectable level and my left hand onto her knees. Within seconds it seemed Liz had wriggled her other down so that I could run that hand up into her hot crotch, she sort of squirmed down in the seat and splayed her legs so that her peach was resting on the very edge, in an ideal position for me to finger its stretched lips. As best I could I fingered into her slit, rubbed up into her clitoris to be rewarded by a long moan of pleasure to have that tiny button so aroused. God... I took out my hand, grabbed the wheel and applied the brake. Only just in time pulling to a halt at a set of lights, sweating profusely as she giggled and continued to handle my ever increasing tool.

"Careful, darling, we don't want another accident do we?" Her words loaded with underlying suggestiveness as the amber came and at green I moved off again. "Please play with me, Mark, I want you to touch me, darling... want you to get me into top gear as well."

Madness, utter madness... but very, very exciting all the same.

We made the motorway, occupied the inside lane at a steady fifty miles per hour, right hand steering, left hand fondling until both of us had reached such a state of excitement that I had to pull onto the hard shoulder. I made a grab for her, her mouth latched to mine, our tongues delving deep, I was about to push her through to the beckoning expanse of the rear seat when I saw powerful headlights bearing down fast. Oh no, I swung away.

"Pull your coat together, Liz."

She gave a startled gulp, managed to adjust her outer cover as I switched on the hazard lights. I had just managed to pull up my slacks, button my overcoat as the white car drew in front of us. No mistaking it now, the blue light flashing brightly as the two, tall figures got out and came back to my motor. Someone once said 'Your British policemen are wonderful'... five minutes later I was heartily in agreement with that statement. I wound down my window, made some fumbling story about the engine flatering. He had grinned at me knowingly as his colleague checked the tax disc and rear of the car.

"Could be nasty, Sir, might I suggest that you endeavour to get to the service area. Only a couple of miles further on, at least there you would be able to check out everything without being disturbed." I smiled as he winked broadly, wished me a cheery goodnight before he and his pal went back to their car.

I took his advice, drove on until we reached the service area. It was now almost midnight according to the dash board clock as I craftily steered the motor right to the far

# "WITHIN A COUPLE OF MINUTES I HAD THE WHO LE OF MY HELMET SAFELY ENCLOSED IN HER DELIGHTFUL QUIM..."

corner of the parking area. Right in against some trees, well away from buildings. Liz didn't need any second bidding, good girl she understood well enough what was wanted as she scrambled between the seats and spread herself on the back seat. By the time I joined her she had dropped her trews and panties down to her ankles and was in the process of removing them completely, by what light there was I could catch a glimpse of her dark pubic hair and the light coloured self support stockings. Lovely legs, long shapely and inviting as I wasted not a second in pushing my slacks down and resting my heaving chopper against her inner thighs.

"Ohhhh... Mark, just a sec... let me move a bit... Mmmmm, yes that's better... Ohhh Mark, Mark... don't hurt me... Ohhhh..."

I drew back, my initial wild lust had caused me to stuff too hard at her, cursing myself I dropped a hand onto her quivering quim to finger the way for penetration. Spending long minutes preparing the tender labia lips for my stout tool to split before once more getting between her wide flung thighs and pushing the eager bulb up into that tight slit.

Liz began to cry, although she didn't try and push me aside, I prodded up harder which caused her to gasp again. I was guilty then of an expression of frustration at being denied entry, gave an annoyed grunt as I pulled back.

"I'm sorry, darling, so sorry... I don't think I can take you inside like this... if we were in bed it would be different, I could open up wider I'm sure."

All said in a sobbing voice as she played with my aching cock, the crown of which was sore from the effort on her quim.

"Shall I... would you like me to do this for you again?"

I brushed away her wanking hand. "No... for God's sake Liz, I want you so bloody badly... let's try another position."

My words born of desperation, my normal reasonably gentle way with women cast aside.

"Show me then, Mark, show me..."

I tried, lord knows I tried. I had her bend up best she could and lean over the front seat before lowering down to endeavour to spear herself onto my raging stand. She knelt up on the back seat, me sweating and moaning as I sought to slip up from the rear. It was all to no avail, although I managed to scramble a hold with my arrowhead the inner tunnel would not expand to allow deeper penetration. Liz crying again, me slumping back onto the seat and breathing heavily.

"How many times, Liz... just how many times have you made love?"

It had to be asked, although possibly not as brutally as I spoke the words. Tearfully she began to replace her discarded clothes, didn't reply until she was practically dressed.

"Not often..."

I pressed the point. "How often I said?"

She swallowed hard, turned to face me squarely. "If you must know only twice... even then not successfully, not fully... he wasn't able to get right inside either... there now you know and I hope you're satisfied."

The obvious hurt in her voice made me feel a right heel, silently I adjusted my clothes and crawled back into the driving seat, did not wait for her to join me but gunned the motor into life and raced back onto the motorway. Liz sat in the back, then leaned forward to talk to me.

"It will be alright when we get home, Mark, honestly I'm sure it will... I mean the other times when he tried I was scared, I wasn't scared with you... just. well, just not able to take the final step that's all... tell me it will be alright, Mark?"

I had to choose my words carefully, told her that she wasn't under any obligation to submit herself to anything if she didn't want to, her response not quite what I expected.

"Good God, what do you think I've been pouring vodka down myself for? I want it to happen, it's about time it did! If you don't intend to do it you can drop me right now."

I felt the heat again in my loins, pressed down hard on the accelerator. By one we had reached the outskirts of Wolverhampton, by a quarter past under her directions I had steered us into the drive leading to her house.

Once inside Liz was determined to face the facts of the matter, to that end leading the way upstairs to her bedroom, to tell the truth I was feeling tired, my head ached and my mouth was dry. That mood soon altered as she confidently began to strip, for the first time I got a full view of the glorious body on offer. It was hard to believe she was only nineteen, those heavy breasts rising and falling steadily as she completed the strip save for her white stockings, they ending half way up her strong thighs with elasticated tops.

At that stage she seemed to falter, almost as if she only just appreciated the fact that she was alone, naked and vulnerable. I undressed myself, wishing that I led a more active life to remove some of the middle age flab that now thickened my waistline, not that Liz seemed to notice for her eyes caught, steadied and stayed on my erection once it was revealed. I saw her swallow a couple of times as she walked over to me, her breasts jiggling deliciously until they were close enough for me to cup in eager hands. We kissed and petted for a while, I had to make a trip to the loo, that look longer than expected as gents will appreciate the difficulty of the task when erected! When I got back to the bedroom Liz lay beneath the quilt, smiling up at me with her head on a pillow. I snuggled in besides her, her glorious body wrapping against mine, those fat teats digging into my chest as I once more fingered her quim.

"Mark... I found some cream in Mummy's drawer, perhaps it will help..."

The quilt fell away as she sat up and handed me a tube from the bedside cabinet, I nodded and unscrewed the cap. I liberally annointed her pulsing slit with the cream, rubbed some onto the taut bulb of my prick before replacing it on the cabinet. She watched the operation in silence, then lay back and spread her thighs expectantly, briefly I hovered over her before settling between her legs. Once more reminded of her gameness as she refused to avert her gaze, steadfastly held her eyes to mine as I took hold of my aching penis to guide its head into her prepared slit. This time I engaged easily, was able to worm that sensitive crown into the tight gash, resting there as I saw a pained expression cloud her lovely face.

"I'm going to push harder, darling, I have to... I'll stop if it hurts too much..."

Her lips tightened into a narrow line and she nodded briefly.

I gave a prod upwards, rewarded as the cockshead nosed that little bit deeper the better to cement our bodies, no doubt the cream assisted the travel as I pushed again. Within a couple of minutes I had the whole of my helmet safely enclosed in her delightful quim, thrilled to the marrow by the sensation of entry, it's so nice to screw someone to narrow. Her eyes now wide and wild as she strained to accept my prick, her mouth open to draw in air. I reached a barrier, knew that her hymen now stood guard over her virginity... realised that her other lover must only have reached this point. Now I could have endeavoured to screw away for minutes on end... I didn't, quickly I slipped both hands under her

"I TOOK UP THE SHORT, STABBING STROKES, WITHIN A MINUTE MY SEED BOILING IN THE SAC AND DEMANDING EXIT..."

rounded bottom cheeks and lifted her slightly. Liz knew what I intended, even tried to smile encouragement as I tensed my loins, took a deep breath of air and lunged hard.

She squealed, I felt something give and there I was rushing up her quim, her maidenhead ripped aside with that one lustful plunge. She squealed again, then sobbed loudly as I pressed home the advantage, her sobs subsided as she realised that I had indeed broken her virginity, she even began to buck her hips as I increased the rate of strike. God she was tight, the narrow passageway enveloping my engorged prick and making me want to ejaculate. I took up the short, stabbing strokes, within a minute my seed boiling in the sac and demanding exit. I let fly at that, bathing the inside of her vagina with my sperm, hugging her close as I spent into her gorgeous body.

Not until we were rocking softly together after my orgasm did I suddenly think in terms of riding her back! I was about to query the matter but then thought better of it as she still lay quivering by my side as my softened prick slipped out. The tiredness which I had felt before coming to bed with her was fast returning, my tool ached from its exertions and it was far easier to let sleep spread its dark fingers over my mind.

I never feel strange when awakening, wherever my head may have rested, so it was that immediately upon arousal I knew what had happened, with whom and where. The only thing missing was my partner of the night, although my mind soon rested on that score as I could hear activity in the bathroom. I noted that my clothes had been neatly hung behind the open door, that there was no sign of hers so readily discarded earlier. I had just sat up, scratching my chin when Liz wandered into the bedroom, draped in a dressing gown several sizes too large. She offered the explanation that it belonged to her mother, smiled a lot and chattered happily in general before turning to more serious matters. Telling me that she had enjoyed losing her virginity, even though it had been painful, assuring me that despite that blessed state of innocence she had as a precaution against loss been taking the pill for six months. That made me feel a lot better I can tell you, the mood further improved as she came to sit on the edge of the rumpled bed close enough for me to kiss and cuddle, discover that beneath the loose fitting gown she was naked. My memory not playing tricks for her breasts were just as lush as I recalled, her body just as supple and responsive.

With rising intent I whipped away the gown, dragged her back across the bed and pressed my body to hers, she winced a little when I first began to pry into her labia. No doubt still sore after our session, at which stage I remembered the cream, applied it liberally with fingertips. Although Liz groaned with the effort of acceptance there were no tears this time as I applied my rampant cock up into her narrow slit, we kissed as I wormed myself deeper, thrill after thrill racing through me to be thus shafting her inexperienced chute. We really made those springs sing that morning as we bounced up and down until I shed my lot again, Liz had almost made it to the stars and I hastened to finish the job with my fingers once my prick was withdrawn. Her darling crotch soaking once she had reached orgasm, clinging to me gratefully and raining wet kisses on my face.

Oh sure we met on several occasions over the next couple of months, either at my flat or her house when her mother was away. The object of meeting was sex, sex and more sex, oral soon taught and mastered by the lovely creature who seemed to thrive upon fellation. Yet I'm sure we both knew that it would end even as it started, I had served a purpose, rid her of her maidenhead while she had given me great pleasure from her fine body. We sort of drifted apart... the age gap was too great...

# ODOUR OF LUST

BY WENDY BRUCE

*Most of the time it is generally assumed that men are the lusting human animals, but this is not quite true. We girls have our subtle little ways of greeding for sex. It isn't just the big genitals we are after admittedly. We like the whole masculine package – a nice guy with horny heat as well as good teeth and lovely hair.*

But maybe you'd like to know something about me? No matter what clothes I'm encased in I kind of radiate warm female sex. Most of the time my generous contours are sheathed in tight stretch trousers and men get the idea that the cute bold nick has a special perfume. I know by their eyes that they ache to touch the bold box, feel the bone, the shape of the cunt.

But I have to like the man. I mean, I'm not in existence just to allow any shit to paw at me.

It isn't just handsome guys who get me going. I remember the rather sad-looking man I met in that gingham cafe. Pnesive, stirring his coffee grimly, he looked every bit of forty-plus and as I'm a sexy blonde shape of twenty-one, that's old! Still, something about him got my sympathy, and as any psychiatrist will tell you sympathy is an ingredient of successful cock-and-cunt collision. Without it there is usually no balling

Our eyes met. A soft kind of male greed stirred in his gaze. I think I smiled. With my wet red lips looking like a delicious hole that can kiss or suck on the peeny, I guess I was something on the sex menu to almost any man.

I crossed my legs, the nylon sliding gently over the full voluptuous thigh flesh and the material nicking even tighter into that female contour known as the box. He followed the movement and stopped stirring his drink. Then he looked at the tit-stuff, those dollops of skin-cream that filled my bra under the thin blouse. All this warm flesh was too much for this older guy and he made what must have been a bold move. He came over and sat at my table.

He held up a hand. "Now don't shout for the cops or the manager! Will you talk to me?"

I smiled. Funny how talk leads to buffing balls at intimate female parts! "Okay."

"I'm so damned lonely," he ground out. "My wife went off – I'm not good at picking up women."

"You're doing all right."

"God – you're a beautiful dish!"

"Is that what you want to talk about?" I joked.

"Just talk." he said pleadingly.

"Really? Most guys want to ball the mush."

He swallowed. "Bloody hell – that's blatant."

"True. But that's the way male lust works. Now my lust is different."

"You don't lust – not a lovely girl like you?"

I touched his hand. "But lovely girls do lust – and strangely I feel sympahty for you. can't explain that. but I think you need a woman's touch – and maybe that touch should be on your penis and balls!"

I don't know why I was talking to him like that. I could have gone out and caught myself a hero with a magnificent prick. But there I was feeling sorry for this guy.

He told me his name was Arthur Graham, an ordinary name for an ordinary feller. "Everybody is ordinary," I said generously. "We're all the same."

Somehow he invited me back to his flat, and as I was killing time, between randy sessions so to speak, I went along. It was a mannish place, the only evidence of his wife a faded photograph.

"She went off two years ago," he explained. "Two lousy years."

"No hole," I joked more to humour him than to be coarse.

"Nothing." His eyes greeded on my shape. I knew he was feeling sudden heat for me and that the physical urges would be stiffening his cock and making his balls stir in the sacs.

I realised I wasn't going to get much out of this encounter but I still felt sympahty for the man. There he was, without a woman, his length of male meat practically unused in any sexual sense. As I could always count on hing my sweet mush poked whenever I felt he urge, this sort of deprivation seemed terrible.

So it wasn't exactly lust for the man that motivated me; just this silly sympathy. Well, I realise it isn't every girl who opens her thighs just because she feels sorry for a man. And he so much older!

I can't remember at what point we got going into the randy action but it must have been when he lightly put his hands on my shoulders. Being full of sensual warmth, I kissed him – and made a real lustful job of it. My mouth fastened on to his lips and became a soft, wet dredging machine. The kiss slowly built up into a scouring of mouths, a kind of exchange of sexual madness that any whore could not have bettered.

So I sucked with my red moist pads and pressed my whole voluptuous body to him and he writhed like hell, his hips making the old bucking motions of the male. So Arthur had plenty of ferocious horn still in him despite his abstinence!

His penis was hard under those pants, a length of male muscle full of steam which I, in my youth, thought was nice for a man of his age. I know it is silly, but a young girl often thinks the older man isn't an animal with horny heat.

All at once I thought – why not give this guy some sensual pleasure? The sympathy was still operating!

I thought I'd get little out of it, except the pleasure of giving, which teacher some years back always assured me was better than taking, but I got a surprise when Arthur suddenly pushed me to the bedroom and fell flat on top of my full flesh and made his interior spring bounce.

He pawed at my blouse. I slipped out of it, laughing softly in this sensual game, and the tit-stuff trembled like jelly-moulds. He made some harsh vocal sounds and then fell

to eating my soft boobs, taking the large red nipples right into his mouth.

I responded to the mouthing of my soft creamy flesh because that's the way my hormones operate. I slide easily into sexual abandonment. There I was being pawed at by an older man in a strange flat – and liking it.

He had more than a sight of my creamy skin – he had a mouthful of it – and he wanted to get naked himself so off came his trousers and briefs. I felt for the Thing. It was nicely hard, pulsing, full of heat, a nice length of intimate meat that any girl would like.

But having it in my hand was not enough. Having it up my cunt is sometimes not enough – but more of that later, darlings. So I wriggled out of my stretch pants and the thin, tight panties that were nicking into my slit as if bent upon cutting me into two! Naked and lovely with it, the blit moist and giving off an odour that was a blend of animalism and cosmetics, I offered the gift to him.

It was his to take and to screw, not until death did us part but until he shot his sticky lot right up the cute slit.

Of course he had to get it in before that stage was reached but that wasn't any trouble. The first vicious push got the stiff length of meat right past my sex-lips. My cunt spurted fresh lubricants and with his next ram he went right in.

My original sympathy for this man had changed to a good healthy lust for his sexing, a natural thing. We were now on a different wave-length. We were shagging.

"Hard!" I whispered fiercely. "I like it hard."

"You lovely thing!" he choked. "I can't believe I'm inside such a wonderful girl as you. Why? Why?"

"I felt a kind of sympathy for you."

"Oh." He rammed. "Well, thanks – it's lovely."

He went into the old male frenzy with his dick slamming up and down my wet pink hole until he reached the inevitable. With a groan he spat his lot right up the creek. He jerked a few times and then lay flat on my warm belly, skin to skin, his lust fading.

I knew then his fucks were the one-shot kind. One blow-through and Arthur thought he'd done the job nicely. I liked him – but obviously he was just an experiment for a healthy young girl like me.

Boy, was he pleased with himself! He gloated over my full titties for some time, wriggled on the warm sweat between our bellies and he kissed me as if we'd just got married or something. But the encounter was over. I had his come and he'd asserted his manhood. It was time to part.

Some time later I sauntered down the street, back to the shops which had attracted me in the first place. My blit lips rubbed softly together with every step, still warm and wet from the sexing. The scents were still there, in my panties, the old odour of woman and the cosmetics I always sprayed on to my pubic hairs.

I felt sexy – and I had to thank Arthur for that, It was rather mad but I suddenly felt a randy need for a big young man. The one fuck had not been enough.

# DISGRACEFUL JUSTICE FOR JOHN LINSEY!

It seems that the authorities and courts seem hell bent on imprisoning all of Britain's pornographers! John Linsey, cinema club owner, recently received a three month sentence; his manager two months and the girls on the cash desk 2 months. ALL THREE HAD NO PREVIOUS CONVICTIONS. Additionally Linsey had previously been cleared EIGHT TIMES on the same material – this fact was kept from the jury! Surely something is wrong here. We believe that any prosecutions under the Obscene Publications Act are an infringement of an individual's rights in the democracy; but worse still repeated prosecution for the same or similar material is against natural justice – you might win nine cases out of ten (as John Linsey did) – but eventually you must lose; the law of averages dictates that you'll draw the wrong judge or jury. Can we ask you to protest about both the savage sentence Mr. Linsey received and the unreasonableness of the whole Obscene Publications Act in a democracy; please write a letter to the following people:

1. The Home Secretary, The Home Office, Whitehall, London SW1 – this is the man who can change the law.
2. The Lord Chancellor, The House of Lords, Westminster, London SW1 – this is the man who appoints the judges who are doling out these savage sentences.
3. Your MP, The House of Commons, London SW1 – this is the man who makes the legislation – the man who passed the Obscene Publications Act and is currently supporting legislation which will virtually close down every sexshop in the UK!
4. Write to the Editor of whatever local or National paper you read – newspapers respond to the views of their readers.

**STAND UP FOR YOUR RIGHTS – make a written protest today!**

So you see I do lust, as thoroughly as any man, but in a different way.

My body still thrilled with the shag but I wasn't satisfied. Rather the reverse. I wanted more prick, to put it crudely.

The sexual longings rather put me off shop-window gazing but I did stop to look at some flimy, sexy underwear and thought, not for the first time, that men must learn at a young age exactly what a girl puts close to her buttocks and box.

A voice spoke behind me, a husky male thing that excited immediately. And I knew that voice!

I turned. "Paul!" I saw the big frame, the smiling eyes. What I didn't see were the magnificent genitals – but I knew all about them. I'd played games with them many times. The penis had been right inside me when it had achieved the right stiffness – which was usually in five seconds flat.

"Nice to see you," he murmured, and his dark eyes slid over my body as if mentally ravishing me – and probably he was.

"Paul Amber," I laughed. "The big man who flies those jets. How nice."

"Lovely Wendy," he murmured. "All of that flesh – so eager – so warm."

"You remember?"

"How can I forget? How many times have you been a cushion for my hard body. those boobs acting as buffers."

"You're sexing me verbally."

He grinned. "And it's great."

Well, it was and it was putting my sexual appetite up to a new level. Arthur's prick had been nice but now I wanted some real way-out sex-play.

He wasn't a stranger. I knew what kind of tricks he could hand a girl and I wouldn't be horizontal all the time!

"Let's get away from these shops," he muttered.

I smiled. "Ever thought of standing in a shop window and shagging a shapely bitch, Paul?"

"That's an erotic thought."

"We all want to be exhibitionists."

Well, that little trick was not to be. The authorities would hardly take kindly to sexing in a shop window and the strip-show in the side street would think it unfair competition.

I didn't want to visit his flat. I'd been there many times. But he solved the question of venue when we got into his car. Off we sped and he said: "I can't do you up in a shop window, Wendy, but I can put you on a stage and put you through some weird tricks."

"What are you talking about?"

He wouldn't explain further but drove swiftly and grinned. Being a jet pilot he liked to get where he wanted in the swiftest manner, and that affected not only his driving but his sexing.

We found ourselves at the seaside resort, where there was a pier and a theatre. We walked along, full of joy in living, which obviously includes screwing, and he led me to a little door in the side of the theatre.

There were a few subdued lights inside the place but not a person in sight. We went backstage and I saw the scene – a lavish bedroom complete with four-poster bed and lace. The whole thing looked very Victorian. Maybe there was a china chamber under the bed. I don't know.

"Just imagine there's an audience out there," Paul said softly. "And you and I are lying on that bed. stripped ball-naked."

"I down own to balls."

"No. I should hope not. but there we are. naked. and shagging. not only that but cock-sucking."

"You say the nicest things to a girl, sir," I mocked.

"You could visualise an audience, Wendy. Now that seems erotic to me. let's do some blatantly gutsy things before this imaginary audience."

The idea seemed suddenly a hell of a giggle, and I was still letching inside my soft pink blit for a hunting cock. The heat was there. That's where my sympathy for Arthur had led me – and of course there was my own feminine lust.

The bed was real. The set was cosy and sexy. Tge lace hinted at naked buttocks of the enormous Victoria kind. Some frilly bloomers hung over a white chair and a picture on a wall showed sexless nymphs gambolling.

Paul and I were gambolling pretty soon after that. He told me there'd be no one at the theatre that afternoon. It seemed he knew some girl in the cast.

Tight stretch trousers were certainly not Victorian and they had to come off. I walked around the set naked as hell. I was carefree as well as being knicker-free and I laughed and postured. Paul sat on the edge of the bed naked, with only his red socks on. They seemed terribly erotic.

But his big erect penis was the brutal attraction. It rose like some stark pinkish-brown tower from the forest of black pubic hair. Suddenly I was impelled to the massive brute and I fell to my knees before the throbbing thing.

"Oh, sir," I mocked in Victorian language, "what manner of beast is this? Why does it attract me so implacably? Truly, sir, it is the most brutish of all weapons!"

"My old pego, wench," said Paul, entering into the spirit of the sexy game. "For your delight."

"How can a poor girl resist? I am so weak, full of this terrible lust for this diabolical length of maleness."

"Then do what you must, girl. A man, too, can be a slave to sex."

It was all honest fun but suddenly I wanted the sinew in my mouth. I wanted to feel the hot throbbing length filling my mouth and threatening to choke me. I thought of an imaginary audience out there and knew there was some real eroticism in thinking about them. As I had hinted, we are all exhibitionists at heart.

My mouth was a red round orifice that suddenly slid down over the tube called a penis. I went deep down the raw length. And then, choking but thrilled, I sucked.

Suddenly I thought I could hear an audience gasp, an intake of breath. There was no one there, of course, but there was a sexy kick in thinking of hundreds of people looking on at Paul and I.

But erotic thoughts vanish swiftly when brute reality take over – and that length of massive prick was real enough. My lips slid over the wet sinew and tasted the strange salts, the meeting of mouth and procreative weapon always a weird thing. I could sense the pulsing in the male muscle, too. So I sucked and I heard Paul groan.

It was wickedly nice to think I could

induce this kind of agony via his stem. I fancied the imaginary audience in the theatre were watching with bated breath. So I sucked again – and this time there were very real results in the shape of spurting semen. The red-hot sticky stuff splattered fiercely inside my mouth.

Paul yelled. "You've made me come! Damn you, Wendy – I like my spit to be left in the vagina!"

"I've got it."

"I have a thing about my seed. I don't like to see it on a floor – such a waste. The female vagina is the proper place for it. Now even your mouth."

But it was in my mouth and there was only one thing to do and that was swallow the stuff and rest content with my mad erotic thoughts. Because, crazy as it seems, I always had this silly idea the seed would slide down to my fallopian tube and do some procreatory mischief.

Sexing, you see, does inflame the mind and create some strange ideas. However, the loss of one batch of semen never trouble my horny Paul. He got off the old Victorian bed a moment later and walked around the stage throwing out some peculiar lines. Even he was inflamed by the strange thought that there could be people out there watching us in the nude.

I danced after him, weaving and bending, some mock ballet stuff. He caught me, his hands sliding naturally to my fleshy, naked hips. I actually had my back to him – my rear. My buttocks rammed at that thick length of male worm – and the damned thing jerked into a new rigidity in seconds.

"I like it doggie style," I cried out wildly, and I bent down.

His weapon went right in, poking a neat hole in the vagina but from a rearward position. Okay, it's one of the oldest positions in the world. But not on a stage – or is it?

Frankly, I haven't been to any orgies or back-street parties where this sort of thing might take place and so I don't know. My sexing is natural and honest. I get a healthy delight from doing what comes naturally. Nature has given me a blit so I use it correctly.

Once Paul was in he held me, his hands grimly holding my hips, his tough fingers digging into the soft flesh so that they were almost buried in the sweet feminine folds.

He began to rake me with his sexual rhythm and I kept my body bent forward and the big tool rammed and slid, rammed and slid. Frankly it was a beautiful experience being so brazen and downright animalish. My hole was just something he was using. It didn't seem really part of me. I'd lent it out. Paul was stuffing it and heading for another seminal explosion.

I simply allowed him the full scope of an adequate cunt, and he ground away, pistoning like some sexual machine. As I bent forward my full titties dropped pendulously, like fruit, and he could have clawed at them but for the fact that his grip on my fleshy hips was implacable.

I suddenly thought I heard someone in the audience clap – but that was crazy. The dark seats out there were empty.

Weren't they?

WHITEHOUSE DIGEST IS THE ONLY BRITISH SEX MAGAZINE WHICH GOES THE WHOLE WAY – ISN'T IT ABOUT TIME YOU BOUGHT YOUR COPY!

I couldn't think because a blinding orgasm was shuddering through me. My belly ripped with delight. My vagina felt inflamed. The messy tool was going grimly up and down my hole.

I loved it and moaned. I hoped he'd go on for ever. Being stuffed was wonderful. Some part of me delighted in being so damned brazen, as if an audience was watching and sharing my randy pleasure.

The idea that someone was watching was, of course, a wild sexual fantasy, a kind of titillation. We were alone, Paul and I.

All the same I thought I heard some more gentle clapping, like gloved hands meeting. But that was stupid.

Paul tanked me up again with relentless accuracy, bang on. But even he groaned, signalling his climax, and he quit the pistoning motion slowly. Then he withdrew the lovely wet monster.

I straightened. I looked out over the rows of seats. Did something move out there?

I ran to Paul. "Someone is watching."

He grinned and held me, my tits creamy buffers on his hairy chest. "That's crazy. We're alone. Anyway, it's part of the sexy game to imagine an audience."

"You've screwed me."

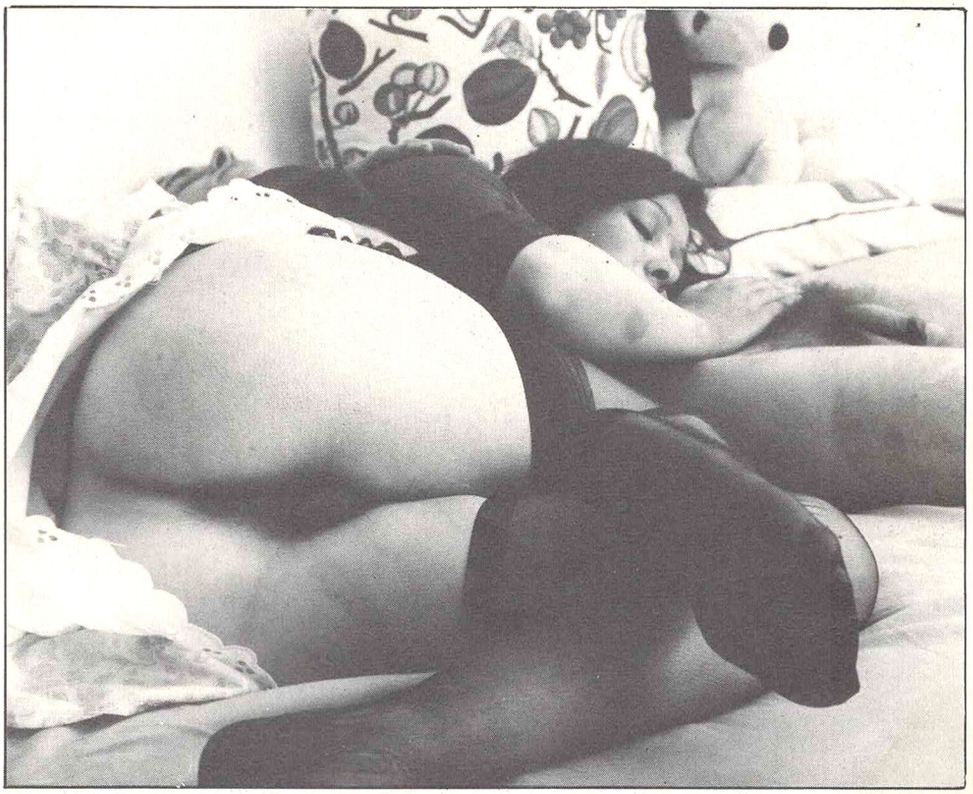
"You've sucked me."

Suddenly a cool female voice spoke from the dark seats. "Damned good show. pity we can't put it on tonight, Paul."

He stared beyond the stage. "Who he hell is that?"

"Don't you know? I know you – and you're naked. I'm Pamela, darling."

"Oh, hell – the girl I know in the cast!"



Paul didn't lose his cool. "Pam – this is Wendy."

"She'd do well in a strip-show," said the voice sweetly.

I recognised challenge when I heard it. Okay – Paul does attract girls. Who am I to think I have a lease on him?

I went back for my clothes. The show was over. We'd had some fun. Time to get my knickers on.

Lust is where you can get it. I didn't realise – but there was more for me that night in Pamela's flat after the show.

When three share a bed – and two are female – the feminine lust gets a real workout!

### The Teacher

*Dear Editor,*

*Faint heart never won fair lady! That's the old legend, but it could be said that faint hearts never won anything – unless because of blind luck like a bingo win.*

*I was a faint heart, Editor, and now, looking back, I'd like to put it on paper for the benefit of readers of this magazine.*

*Of course, it is entirely true except that this reproving comment was made yesteryear when all women were ladies and the male was a kind of impossible Sir Galahad.*

*But there I was, right here and now in this day and age, a young man of twenty-one, conscious that I had a ton of sex potential but unable to use it. I mean... I was scared... yes... just plain afraid to start the sex works on any girl, fair or otherwise.*

*I know among my present generation I'm unusual. I've seen kids of fourteen standing at corners, arms around each other and sliding hands under each other's tee-shirts until the lad must be horny and the girl randy. But I was never like that – needless to say. Oh, I went to parties, got to kissing and cuddling, but the real thing, total intercourse, was always something I never got started on. It was a complex, a frustration. I'd yearn like a hot fool to touch the intimate part of the girl – but something kept my hand back. I was scared stiff, in other words. I had this mad feeling the girl would hit me, yell blue murder or something. I know now this was silly been prescribed anything out of the ordinary being very much on the mend. Anyway, they chatted on for a few minutes and then moved the bedclothes slightly and I couldn't see what happened after that for a couple of seconds.*

*When I looked again Mary's hand was missing. It had vanished under the bedclothes. I thought she was settling something for him, but then she turned to me and told me to stand at the door. She turned on a small sidelight by the bedside and in its weak glow gave me the shock of my young life. For she had drawn back the covers and there in her hand, like a small bird, was his cock. Ben's cock, and it was as limp as a worm.*

*She turned to me again. "There are some things that medicine cannot cure Miss," she said, "so take that scowl of horror off your face and let's see what we can do for the poor man." The poor man looked very healthy to me but I was rivetted watching his cock. It was small and stunted and there wasn't an ounce of life in it. She cradled it in the palm of her hand for a moment and while I stared on not knowing what to do, she smiled at him and started to laugh. "Well, this is one part of you that's not fit to be discharged yet, is it?" she said and the two of them laughed as though it was the joke of the year.*

*She took his cock deeper into her hand and then began to massage it with the other. The stalk quivered but stayed firmly where it was, limp and inert. I didn't know what the hell she was playing at. Then she touched the foreskin with her fingertip and stroked it. The cock quivered again but still remained limp. She bent her head forward and kissed his cock, and were it not for the tight control she had over me I would have fled out into the corridor at that stage. But she didn't seem to know that I was there any longer, or so I thought.*

*Then she told me to lock the door and immediately I had done so she started to remove her uniform at lightning speed. When she had undressed she climbed into bed with Ben. His body turned towards her and she pulled his cock, holding it at the base. She pulled it very expertly and without any hesitation, and when she had finished with it it had started to show signs of life. It was by no means erect though. She bent her head down to it again and this time took it between her lips. I know that my face must have been white as chalk by now.*

*She cradled his cock between her lips and while doing that teased his balls with her fingers. That and the slight sucking of the foreskin drove life through it and slowly it began to get hard. More and more sucking followed until it was erect. But it still looked weak and she didn't seem very satisfied with it. She played with his root some more and when she pressed her breasts against it and placed the cock lengthwise inside the cleavage of her bosom it did finally come to an erection. The cock was quite stiff and healthy. But no sooner up than down, at least that's what she seemed to think. because some of the girls must have been yearning for it. But I didn't know. I always thought I'd be in deep trouble if I started something.*

*When I think of the chances I missed! I could have been screwing like mad! But I held back and the complex built up until it was a huge problem.*

*It was like this... I'd meet a girl... take her out... bring her back home... all the usual stuff. With many blokes this point in the game was where they started to get their money's worth, with a feel under the skirt, a touch of the boobs or even a straight bash at the eternal vee. But all I'd ever do was kiss and hold, like some gallant out of an old movie. I was choked up, damned, my genitals hot and aching, the desire to screw a very real thing. But I was more than a faint heart – I was scared stiff.*

*And when I went home leaving the girl a bit baffled, all I could do that night was hold a stiff penis in the bed and wonder... wonder... making wild promises to myself that next time would be different. It was always next time.*

*I was on my way to being a frustrated male at the age of twenty-one. Another year of this inability and I'd have been a medical case.*

*I had the erections and the desires. It was all in my mind – this damned-up sense of being unable to get started. The physical side of seduction seemed impossible. Just to think of touching the girl's crutch made me choke. My hand would flinch back... unsure... taut with my God-awful uncertainty...*

*So I didn't see many of the girls for any length of time. One night out was enough for some of the bolder ones – and they were the ones I'd liked to have screwed.*

*...And then I met Liz. My life changed from that moment. Just as well or I might have ended up on a head shrinker's couch. You'll want to know about Liz. The truth is – she was a young cow!*

*Pretty – yes – and with a good figure, wearing some decent clothes – but a cow from the lower strata, at that. I mean, there are prostitutes who charge the earth for their services. Naturally, I've heard about them; I'm not totally stupid about sex. I'd never even considered seeking out a pro. It just didn't occur to me.*

*Liz was from the slum areas of the town where I lived. She was one of the large family. She was only eighteen but she had been lying on her back with her pussy bare for at least a year.*

*It was pure accident that I met her – but then most things in life are like that. I was walking through these streets when she approached me – just like that. "You want a good time, mate?"*

*I was naive, I'll admit. Apart from my mental block with the average girl of my class, I'd never been with a prostitute. Some readers are not going to believe this but I'd never even thought about it. So I*

OIL ORGY

*stared at this girl, seeing the wavy long dark hair and the eyes that were slightly derisive. "Good time?" I echoed.*

*"You know... d'you want your hole. Cheap..."*

*The candid words were like slaps in the face. I jerked back. Then suddenly something clicked in my mind. I looked again... she was a girl... female... she had all the physical curves any girl had... and she'd know all the sexual habits... all the tricks.*

*"Yes..." I suddenly gulped. "Yes..."*

*"Let's go..." she took hold of my arm and began steering me down some poor lane.*

*We ended up in this room, a poor place with a bed and a chair. I suppose my upbringing had been too 'nice' although simply working-class. I'd never seen a dump like it. And when Liz swiftly took off her clothes I just stared. She was out of that thin dress and briefs in second. She stood naked before me and when I hesitated she put her arms around my neck. "Money, pal..."*

*Not knowing or caring what I was doing, I gave her a fiver. She stuffed it in a box on the mantlepiece. Then she quickly began helping me off with my gear. When I was naked and my flesh impacted with her supple body, all my grim fears vanished. What happened was like an explosion inside me. All the pent-up desire, the choking frustration vanished in a torrent, like water pouring from a dam.*

*I grabbed and hungered for her soft warm flesh. We rolled on the bed and she giggled. She was a sport, thank goodness. She took my stiff erect penis and massaged it. Agonies tore through my whole being. She realised that too much play would make me ejaculate so she swiftly pressed the tool into her soft mature slit. I went in, grimly sexing, the ancient rhythm going like mad.*

*Of course, I was a fool in that first encounter. I spat my lot deep into that young box within a few fierce seconds. I sank on to her. I lay and she made efforts to dislodge me. She was a cow, remember. Time was money. But I didn't want to go and I pleaded with her. So I stayed. With my pent-up sex heat now in full blast, I went into her lovely hole again.*

*I saw her often in that back street, gave her money and she gave me sexual confidence. I screwed like a master by the time she was finished with me.*

*And then, of course, I met my 'decent' girl... you can guess the rest, Editor...*

*J.A.B.,*
*Norwich.*

*Dear Editor,*

*Just got back from a trip to Paris, and while I was there I saw a sensational sex film. I was lucky enough to see the uncut version, but I understand that a red hot version will soon be out in the UK.*

*The film was called Blue Emmanuelle and take it from me Blue is the right word for this film. If it ever does come to the UK it will cause a sensation.*

*Blue Emmanuelle is like all the other red hot Emmanuelle films but much sexier, much harder, and the girls in this film are fantastic.*

*It would seem that they have picked the most beautiful girls in the world for this terrific film, and these girls don't seem to give a shit what they get up to in front of the camera. Sex is the name of the game as far as they are concerned.*

*The plot of the film isn't that important, for although the story line is strong, although a lot of the sex is really quite sophisticated, the real name of the game is just how many different sex acts, how many variations on a theme, can be crammed into ninety minutes of screen time.*

*The uncut version of Blue Emmanuelle which I saw was good, but good. The sex was hard but not crude, they had achieved that fine balance between erotica and porn. The porn was filmed so that it wasn't crude, even though it did show every single sexual act going, instead it was a real turn on.*

*I suppose the reason for this is simple. In most hard blue films, even in feature films such as this one, the girls tend to look bored, tend to look as if they have done it all before and that there is nothing new under the sun.*

*Blue Emmanuelle doesn't fall into this trap, somehow the girls approach every sexual situation as if it were new, as if it were the first time they had done such a thing, and as a result their obvious enjoyment of the various sexual acts comes across on the screen. I'd go so far as to say – and this is unusual – that the girls didn't fake a single thing in this film, it seemed for all the world that they were doing it for real.*

*Picking out the best sex scene in this film would be impossible. There are so many good ones, and the sex scenes cover the entire range of human sexual experience. There are very strong and hot lesbian scenes, there are solo masturabation scenes with girls using candles and bananas, there is plenty of heterosexual fucking, and the orgy at the end of the film is incredible.*

*If this film ever does come to this country then I would strongly urge your readers to go and see it. There is a lot of rubbish round these days under the guise of sex films, this one, Blue Emmanuelle really does deliver the goods, it really is a blue film in every sense of the word, and the fact that it is a full length feature merely adds to the enjoyment.*

*Mr Ted L.*
*Leicester.*

**Thank you for your letter. We have checked up on this, and although we know this film is coming to this country we have not been able to find out the exact date. We would suggest all our readers keep their eyes peeled for this one!**

### Good Sex Aids

*Dear Editor,*

*Not many men realise this, but there are lots of women who really get turned on looking at girlie magazines. My wife is one of them, she loves to look at pictures of men and women making love, likes to read the erotic stories published in magazines such as yours.*

*Now the problem these days is to find good hard sex magazines at a reasonable price. I've been into several sex shops which say they stock good hard sex magazines, but the end result has always been a great disappointment, as the magazines have, in the end, turned out to be very tame indeed.*

*Not only that, for in most sex shops you are always rushed. You know what I mean? You go in and start to look at the magazines and right away one of the staff comes over to you and start sto pressurise you into buying something. Then, if you haven't parted with money within the next few minutes, they get really nasty and throw you out of the shop. Like I said, you have all had experience of this type of sex shop, haven't you?*

*Well, there is a chain of sex shops in this country which do stock really hard magazines, and they also allow you to browse, and the staff are very friendly, and give you all the time in the world to make up your mind as to what you want to buy.*

*I'm talking, of course, about the Private Sex Shop group. They have shops all over the country, and they claim to be the largest chain of shops in Europe.*

*My wife and I often go in to buy magazines, and we haven't yet been ripped off, for not only are they value for money, but the content is as hard as anything you're likely to find anywhere in the country at the moment.*

*This vast range of goods, plus the fact that you are allowed plenty of*

*time to browse means that the Private Sex Shops get my vote, and my wife's, as the best place to shop when you've got sex on your mind.*

*Mind you, they do much more than stock magazines, they sell sex aids and other things, really good sex aids, as my wife will vouch for. She has bought several vibrators from them in the past and these have given her some first class orgasms when she's wanked off with them.*

*But our main concern is magazines, my wife's knickers get really wet when she flicks through the pages of a good explicit sex magazine. That's why we buy from Private.*

*The other day we bought an American sex magazine at our local Private Sex Shop, and when we got home we looked at it together. It only cost a couple of quid, and for that we got almost one hundred pages of the hottest sex shots imaginable.*

*My wife was so turned on by all the pictures of naked men and women fucking and sucking, that as soon as we had reached the last page, she stood up and took her clothes off and stretched out on the carpet in the lounge, then she reached down and pushed three fingers all the way into her tight pussy and started to wank herself off.*

*I undressed as well, and then I got hold of the penis-shaped candle that we had bought from the Private Sex Shop a couple of weeks earlier, and after she had removed her fingers I shoved that candle all the way into her cunt and started to masturbate her with it.*

*She had climax after climax as I rammed that candle in and out of her wet pussy. When I'd bought the thing, the Private Sex Shop manager had told me that it had been designed for giving as many orgasms to a woman as possible, and he was dead right. That's another thing I like about the Private Shops, it seems that all their managers have been on a training course where the sex aids are concerned, and when it comes to sexual enjoyment you can't teach them anything. All you have to do is tell them what you are looking for and they will use their expert knowledge to get you just what you want.*

*Well, I wanked my wife off with that candle for some time, and I lost count of the number of orgasms she had, then I pulled it out and handed it to her, and while she was using her tongue to lick her own juices from it, I rolled on top of her and pushed the full length of my stiff cock all the way into her very juicy pussy hole, and as soon as my cock went in she had another orgasm.*

*She threw the candle away, wrapped her legs round the small of my back, and started to heave up and down for all she was worth.*

*I was giving her all I had, my balls slapping against her cunt lips, my glans really powering into the very depths of her tight hole.*

*The fuck went on and on, both of us sweating and yelling with the thrill of it all, and when I at last came, my spunk really gushed out and filled up her hole to the brim.*

*We have always found that after looking at the matazines we buy from the Private Sex Shop that we have a really good fuck. So you can see why I always swear by the products they sell at my local Private Sex Shop.*

*She Learned New Tricks At The Bedside Of Love*

*Dear Editor,*

*This letter is being written to you under conditions of great secrecy. I cannot even tell you where I am working or in what town, for if it were known that I had even thought of writing about something I have seen with my own eyes I would be dismissed immediately. I am a 20-year-old student nurse in a Northern hospital, and when I came to do my initial training I was placed in the charge of a senior nurse whom I shall have to call Mary. She was my absolute boss and upon her depended whether or not I got a good report at the end of each term.*

*She was in her thirties then, a very nice woman by all accounts, but she could be very stern if any of us got out of line. She had a lovely figure, though, and the patients were always on about her, saying what they'd like to do with her if they got a chance. It was all good fun though and she was able to give back as good as she got. I didn't like that sort of talk at first but I soon realised that it was harmless.*

*For some reason she took me under her wing and was very nice to me. But I noticed that she talked a lot about sex and wanted to know if I was a virgin or not. I wasn't and she said that was good. She said nursing was no place for virgins whatever might be thought of it in the outside world. I must say that struck me as being a rather unusual thing to hear from a nurse. Especially from someone as senior as she was. But then Mary had her own ideas of right and wrong as I was eventually to discover for myself. I even thought at that time that she might have a crush on me, but she didn't.*

*I gradually got to know the routine and then one night I was on duty with her in a ward that had some private rooms at the end. These were occupied by two men, one to each room. They were both in their late forties and they were very pleasant types. I can't recall what was wrong with them but it was nothing serious. We used to call them Bill and Ben. But Ben was the favourite and he was certainly Mary's favourite.*

*Anyway on this night we went to see how Ben was as there was a slack period in the ward, there having been no admissions that day and quite a few people discharged at the same time. Ben was lying there in the semi darkness with only the street light flickering over his face. He was wide awake and I had the impression that he was expecting us although that was plainly ridiculous. Mary and he greeted each other like long lost friends and she drew up a chair to the bedside.*

*"And how are things now, Ben?" she asked him. He twinkled at her and said they were fine. "That's good then, Ben," she said, "because I've brought you that medicine you asked me for." I didn't know what she was talking about, for as far as I knew he hadn't*

*She climbed on board him and raised the erect penis so that it was beneath her fanny. The cock slid into her without a sound, and when he tried to get up some sort of rhythm she pushed him down saying that this was her job. Note that word: job. She bucked and rose and fell on him until he was gasping with her exertions. She herself was very excited and she stroked her own breasts while she carried on this bizarre seduction of the patient. Then she seemed to relax for a moment, something began to happen to him. He tried to rise but she held him down. He strove against her, but she was too strong and only when he had finished his orgasm did she dismount from his organ. There were still semen traces on it.*

*She dressed again with lightning speed. Then with a nod and a kiss to him she left the room with me. "I suppose you want to know if I've gone mad or something," she said. I nodded dumbly, still unable to comprehend what I'd seen. "Not a word about this to anyone then, as you're the only one I can trust around here. Ben used to be my lover years ago. He's lonely in here and his illness has almost neutered him. I just had to give him a sort of kiss of life before he succumbed completely. However, I think you'll agree that the patient is on the mend again?" And with that she swept down the corridor whistling softly under her breath.*

# MAKING CONTACT

*Here's a story sent to us by Jack who lives in Leeds. It seems Jack has a very full sex life, and when you read his story you'll understand why.*

I've never been much good at chatting up women. Okay, I get on with them well enough, I've had my fair share of sex, but I've never been able to go up to a woman in the street, or in a pub, or at a dance, and start talking. I have always envied those men who can do that, who can sweep women off their feet.

Mind you, I did have a bloody good sex life these days, I have all the women I can handle, and I do this in two ways, I reply to adverts women place in contact magazines, and I also place adverts in them myself. I get lots of letters each week, letters from women I have written to, and letters from women who are replying to my advert. I can honestly say that for the past few weeks I have had a different woman in bed with me each and every night of the week. As far as I am concerned, contact magazines are really wonderful.

Mind you, as in all things, you have to be very careful where you advertise, and what contact magazines you buy for it is a fact that some contact magazines on the market at the moment are a right rip off, a real con.

I know this for a fact, for when I first started to use contact magazines I received no replies at all from the adverts I placed, and when I wrote off to women who advertised, I didn't get one reply from their either. It was obvious what was happening, the publishers of the magazine were just pocketing the money and not forwarding the replies, and also the adverts from women were not genuine, were made up by the publishers.

But I do use contact magazines, and like I said, I have a different woman every single night of the week. The thing is, you see, I only advertise in really genuine contact magazines, and I only reply to female adverts which are placed in genuine contact magazines.

So how do you tell the true ones from the false ones? Well, it took me a great deal of time and trouble to find this out, but I don't mind doing all you a favour and telling you how I did it, for there are so many randy women waiting to be fucked, so many randy women advertising in contact magazines, that I just can't handle them all myself, yes fellows, there are plenty of women to go round.

Let me say this as well, I have never yet been asked to pay money to any of the women I have contacted through the genuine contact magazines. Okay, there may be some whores who manage to slip in an advert now and then, but I most certainly haven't come across any of them.

In my experience, most of the women who advertise in contact magazines are just ordinary sexy women who are looking for a good fuck with no strings attached, and women who reply to the adverts I place are the same, they just want a good sex session. I have been using contact magazines for well over a year now, and so far not one woman has asked me for money.

Okay, so some women haven't written back, but they account for a very small percentage. I reckon I've written over two hundred letters to women who have advertised in contact magazines, and have had one hundred and eighty three replies, and most of them resulted in sex in the end.

I have placed lots of adverts myself, and have contacted over one hundred women that way. Yes, one hundred women have written to me after seeing my advert in a contact magazine and I've had sex with all of them.

Okay, so I guess you're asking what are the contact magazines that I advertise in, and what are the contact magazines I buy to send off letters to women? Well, I'll tell you all the details at the end, first let me tell you about some of the really sexy and kinky women that I have fucked, all women I have met through the contact magazines. But I'll give you a clue, right here and now, I only buy contact magazines which are on sale at my local Private Sex Shop, and I only advertise in contact magazines which are on sale in the same shop. You see, the Private Sex Shop group make sure that all the contact magazines they sell - each and every one of them - are really genuine. But more about that later, yes, later I'll tell you how you can get a sex life just like mine. But first, a few details of the women I've fucked since I've been getting my contact magazines at the local Private Sex Shop.

Oh just one other thing, most of the women who advertise have told me they have tried all sorts of contact magazines, but like me, they have found that the only genuine mags are on sale at Private.

But enough waffling, you want to hear about sex, don't you. You want to hear about some of the randy and kinky ladies I have met through the contact magazines? Well, you shall, and let me state right here and now that every single word you are about to read is true. I really did find these women how I said, and I really did fuck with them, and they were really as kinky as I described.

First let me tell you about the women I've had, women I've fucked, who replied to my advert in the contact magazine. Yes this first group are all women who buy contact magazines, women who have written to me, women who have fucked with me because of my advert. So when you hear stories about women never buying contact magazines, when you hear people say that women never write letters to men who advertise in contact magazines, then those people are talking out of the back of their heads. You have my word for it, my honest word, that this first group of women are women who have written to me after they have seen my advert in the contact magazines which are on sale at the Private Sex Shops.

There was Della, who replied to my advert. My advert had said I was looking for a fuck with a sexy lady. That's a good tip by the way, when you advertise, don't beat about the bush, come out and say what you are looking for. Give as much detail as possible. Well, Della wrote to me after seeing my advert, I wrote back, and we got together. I took her for a meal, then we went back to my flat. That's the great thing about contact magazines, there is no beating about the bush, you both know what you are there for.

Della undressed, she was really something, smooth skin, large boobs, stiff nipples, a cute cunt, and that cunt of hers was already quite damp. I ripped off my own things and dived onto the bed.

Let me say that she had the sweetest tasting pussy I'd ever known in my life. I spent ages sucking her out and drinking down her thick pussy juices. She had this really tight cunt, and the slightest orgasm made her cream gush out and into my mouth, and believe you me, I gave her lots and lots of orgasms as I poked my tongue inside and explored every single part of her pussy hole.

She was very good at cock sucking, liked nothing better than to take my cock inside her mouth and suck at it till I came. And she was one of those women who adored the taste of spunk, loved it, couldn't get enough of it, and each time I came, she kept my cock inside her mouth and she sucked and licked away and swallowed down every last drop of my spunk. Yes, in the cock sucking stakes, in the cunt tasting stakes, Della was the tops.

Another woman who answered my advert in the contact magazine was Tina. Now there was a woman, she didn't even want me to take her out for a meal. She was a nurse, and she wasn't getting enough sex, all she wanted when we met was to get into bed as fast as possible and get on with the fucking, and it goes without saying that I did just as she wanted.

I'll never forget that first time with her, she was like a wild cat, she wanted everything, and she gave everything, at the end of the session I was really knackered. She said that she wrote letters to many men who advertised in the contact magazines, that she had fucked with them all.

Tina was very good at being on top during fucking, in fact this was her very favourite position. It suited me fine, for I like the woman to do all the work every now and then, don't you?

She would crouch over my cock and then rub her cunt lips over my glans, and when my knob was really wet and sticky from her cunt cream, she would lower herself right the way down till she was sitting in my lap, till my thick cock was all the way up inside her tight hole.

Now when a woman's on top of you it is she who controls the speed and the pace of the fuck, and this woman knew every trick in the book. First of all she went up and down nice and slowly, letting the head of my glans rasp against the walls of her cunt tube; then she speeded up, really went to town so that loud slurping sounds came from the depths of her cunt, so that my knob banged really hard against her tube end.

Then she slowed down, then she speeded up, and she was having orgasms all the time, orgasms which made her shudder and shake, orgasms which made her yell for joy.

She was very kinky with it as

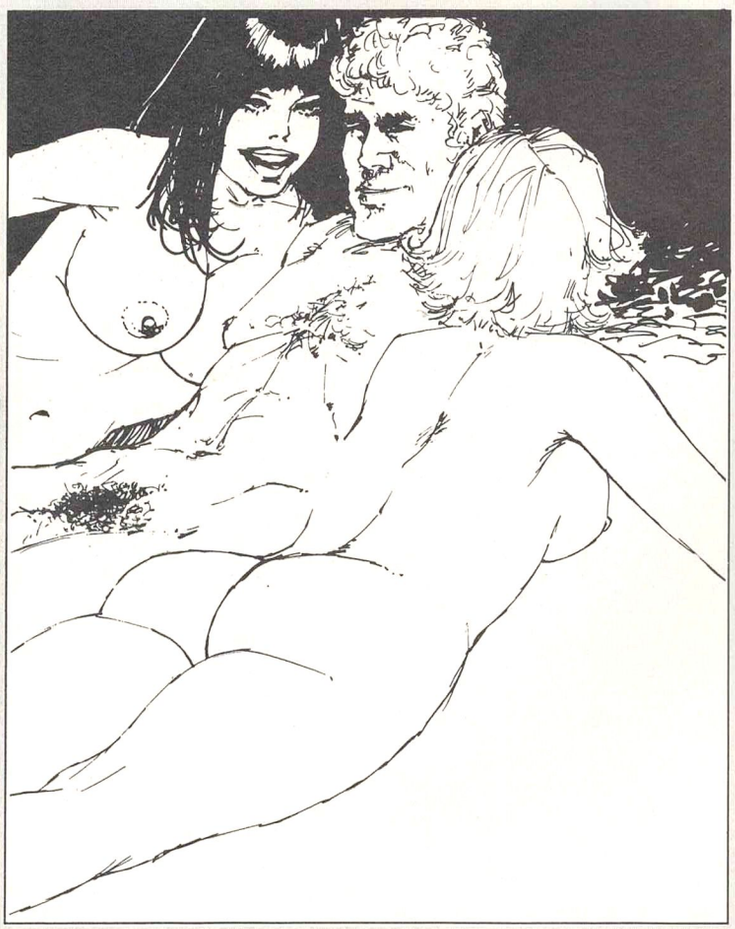
# MAKING CONTACT

Continued from page 88



well, for after I had shot my load up into her cunt hole, she rolled from me, went into the bedroom, then crouched down in front of the mirror and used her fingers to pull her cunt lips wide apart, so that she could look at the way in which my spunk was swimming about inside her quim tube.

Talking about kinky women, I seem to get my fair share of those. Many of the women who have replied to my adverts in the contact magazines have been very kinky indeed.

In fact some of them, when writing to me after seeing my advert, have stressed the fact that they are kinky, have said they will only fuck with me if I like doing kinky things. Well, I'm as kinky as the next man, in other words I can take it or leave it. But some of those women, well all they wanted was kinky sex.

One kinky lady who replied to my advert in the contact magazine was Wendy. She was really lovely, tall, blonde, with magnificent tits and really fleshy, floppy pussy lips. She was interested in all kinds of kinky sex, in fact she didn't know what the word 'normal' meant. She was into just about everything, though I suppose her very favourite kink was water sports.

Now if any of you reading this haven't heard about water sports then it is this, it means peeing. People either watch other people pee, or they do it all over each other.

Like I said, Wendy was really into water sports in a very big way. She liked to have me pee all over her, over every single part of her body, then she would do the same thing to me. Well, I can take that sort of thing or I can leave it, but it is rather nice to do it every now and then.

Another woman who answered my advert was Fiona, a really smashing lady. She was slim, with small tits, stiff nipples, a lovely bum, and the tightest cunt hole in the world, so tight was she down there that I had to make sure she was soaking wet before I could even think about getting my cock inside her.

This lady liked bum licking, she liked giving it and taking it. The first time we met we had the usual kissing and cuddling, then she flipped me over onto my stomach and then went down on my bum. Now I don't know if any of you reading this have ever had a woman trace the tip of her tongue all over your naked bum? Well, if you haven't, then let me tell you it is a wonderful sexual experience.

She licked and lapped at my bum, then she ran her tongue up and down the cleft between my bum cheeks, and this made my cock get really hard; then she drove her tongue in. Yes, she pushed the tip of her tongue all the way into my bum hole and licked me there. Well, it's no secret, I was so worked up with her doing that, the first time a woman had ever done that to me, that I came on the spot. I shot my spunk into the sheets.

Of course, she then wanted me to do the same thing to her, and so I did. I licked at her bum, it was really nice, her warm soft flesh seemed to quiver with lust as I licked at her. Then I did the same thing to her as she had done to me, I used my fingers and pulled her bum cheeks apart and looked at the sweet puckered wrinkled hole of her anus, then I pushed the tip of my tongue in there, and she had one of the biggest orgasms that I'd ever seen any woman have.

Yes, kinky ladies, straight ladies, ladies who liked everything, they have all replied to the adverts I have placed in contact magazines, but only in the magazines which are on sale in the Private Sex Shop. But I'll come to that later, for now I'd like to tell you about some of the women who have advertised in contact magazines, women I have written to and have fucked.

You may wonder why I write to women as well as advertise. Well, some women don't like writing in the first place. They prefer a man to write to them, and anyway, it is nice writing long sexy letters to women who advertise. I've had just as much success with women who have advertised, as with the adverts I have placed myself. If you were to ask me which got me the better results, I'd have to say they were both pretty much the same.

I've had dozens of women respond to the adverts I have placed in the contact magazines, and I have written to dozens of women who have advertised, and each and every one of them have al-

Again this triple is now showing in Central London at either the Moulin, Gt. Windmill St. Soho or the EROS, Piccadilly Circus, it will be showing at selected cinemas around the UK soon.

**PS Possibly the best little film made in Britain in the last three years 'Mary Millington's True Blue Confessions', is showing as the second feature to 'Come Play With Me 3'. This is a really fantastic film and a Tribute to the greatest sex symbol this country ever produced. If you've seen the movie you'll no doubt want to see it again; if you've not don't miss it – it's something VERY SPECIAL! See 'Mary Millington's True Blue Confessions' with 'COME PLAY WITH ME 3'!**

PIRATE, BLUE CLIMAX, PLEASURE, SEX BIZARRE,

ways written back.

Well, I saw an advert once form a woman called Doris. She said she wanted a man. I wrote off, the letter was forwarded to the woman, she wrote back, and a couple of days later Doris and I were in bed together.

She had this thing about being wanked off. She wanted just about anything and everything inside her tight cunt hole. if it would fit in there then she wanted it, and I spent many great hours just wanking that woman off.

The first thing I ever used on her was a huge candle, and I was amazed at just how easily she managed to take it all the way in. She came time and time again as I wanked her with that candle and then, when I pulled it from her cunt, she took it from me, raised it to her face, then licked every last drop of her thick pussy juice from it.

In fact that is how she finished every single wank, she would take the wanking implement from me and then use her darting tongue to lick all her juices from it, and each and every time she drank down her own pussy cream she had an orgasm.

I used a dildo on her, which she loved and then I used a very small cucumber. Yes, a cucumber. It was the first time in my life I'd ever seen a woman take most of a cucumber into her cunt hole. It was terrific to see the thing go slowly into her cunt hole, to see her cunt stretch out, to see the way her body writhed and heaved as she climaxed over and over again.

In fact I used just about anything I could get to wank that lady off. I used a carrot, a vibrator, a hair brush, a banana, a coke bottle, a wine bottle, in fact you name it and I used it. She loved it all, kept making suggestions for having new and different things inside her cunt hole. She wasn't much good at actual fucking, but I didn't mind about that, for in the wanking stakes she was the tops.

Now, like me, you may have seen several adverts in contact magazines from two women at a time. .Well, I've had good times there as well. In fact my first experience of three way sex, me and two women in bed at the same time, came through a contact magazine which I bought at my local Private Sex Shop.

Two girls, Jill and Rose, were advertising that they needed a man who could handle them both at the same time. Well, I've always had plenty of energy in bed, and so I wrote to them enclosing a picture of myself and my phone number, and a few days later they phoned me.

A day or so after that I went round to their flat, and they liked me, and we went into the bedroom. Now, like I said, this was my first ever experience of having it off with two women at the same time, and let me tell you there is nothing else quite like it.

Mind you, in the past I'd written off to two women at a time who had advertised and got no reply at all, but those women had advertised in magazines which had not been on sale at a Private Sex Shop, so once again all I can say is that for the best results only buy the magazines at a Private Sex Shop, but back to Jill and Rose...

They were both lovely ladies, both sexy as hell, both knew what they wanted. They started off as they meant to go on. I was stretched out on my back, and Rose went down and started to run her tongue all over my cock and balls, ad she was so good at it, so very good, that I thought my cock was going to explode at any second.

Well, Rose carried on sucking and licking at my cock, and Jill moved round, and she sat down on my face, sat down so that her sweet tasting, fleshy, cunt lips covered my nose and my mouth.

I poked my tongue up into her lovely wet quim tube and started to suck her out. It was really good,a nd I do mean fucking good. Having a woman suck my cock while another woman was sitting on my face is an experience that every man should have at some time in his life.

But the best part about that session was fucking with them both at the same time, well almost at the same time. I got them to stretch out side by side on the bed, then I got on top of Rose and pushed my cock all the way into her tight twat, and while I was plunging in and out, Jill leaned over and sucked on Rose's tits and nipples.

I fucked Rose for a minute or so, gave her lots of orgasms, then I pulled my cock out, moved over and shoved it all the way into Jill's cunt hole, and I fucked her for a couple of minutes, and while I was fucking her Rose went behind me and urbbed her tits all over the cheeks of my bum.

I pulled my cock out and shoved it into Rose's cunt again, then I fucked Jill, then back to Rose. Words alone cannot describe the fantastic thrill I got from fucking first one cunt hole then the other.

They were kinky as well, for when I came, when I shot my full

load of spunk into Rose's cunt, she climaxed, and after I had pulled my cock out Jill went down, pulled Rose's cunt lips wide apart, then shoved her tongue all the way into that spunk filled hole and sucked her out, sucked and licked and slurped away till there wasn't a single drop of my hot spunk left inside the hole.

Yes, I wish I had more space and time to tell you about the many dozens of women I have fucked, women I have met through genuine contact magazines.

But let me now tell you why I only deal with magazines which are on sale at my local Private Sex Shop. You see, the Private Sex Shop group are the largest in Europe, and they are very proud of their reputation. The manager of my local shop told me that before they put any contact magazines on sale in the shops they check out the publishers right the way down the line, and only when they are sure that the magazines and all the adverts are genuine, only then do they put the magazines on sale in their shops.

So, when you advertise in a contact magazine which is on sale in a Private Sex Shop, you know that the publisher of the magazine is genuine, that he will put your advert in the magazine, and that he will forward all replies to you.

You also know, if the magazine is on sale in a Private Sex Shop, that when you reply to any adverts in that magazine, that the adverts are genuine, that your letters will be passed on right away to the people who have advertised.

That's why when I go for women, when I write to them, or when I advertise, I only use contact magazines which are on sale in the Private Sex Shops. Makes sense, doesn't it?

Well, back to the women, let me tell you a little more about some of the women who have written to me after I had placed an advert in a contact magazine.

There was Erica. I put an advert in a contact magazine saying I wanted a woman with big tits who liked having me wank over her face. I got about ten letters in reply, Erica's was one, and when she came round to my place I saw that she did indeed have huge tits, but huge. They were gigantic, quite firm, but huge. Her nipples were big as well, they sort of spread out over her tits, and she was as sexy as hell.

She said she loved having spunk over her face, and so the first thing I did, once we got into the bedroom, was stretch her flat on her back and then kneel by the side of her face.

She used her right hand to hold my balls, and I took my cock in my right hand, aimed the head of my knob at her nose, and started to wank off. Yes she loved it, just watching me wank off like that gave her lots of orgasms, and her juices flowed and showered from her cunt and soaked into the sheets on the bed. Then I came, and my spunk shot out and splattered over every single part of her face, and I let the last few drops fall over her huge left tit.

She sat up and then used her finger to wipe some of the spunk from her face, and then she placed her fingers in her mouth and sucked them dry. She did this over and over again till there wasn't a single drop of spunk left on her face, then she lifted her tit up and used her tongue to lap the few odd drops of sperm from her flesh.

Another woman who answered an advert I placed in a contact magazine was Kim. She was small, slim, and very pretty. I'd said in my advert that I wanted a woman who liked having her bum smacked, and she fitted the bill. She said she had more orgasms that way than from fucking.

We undressed, and she got on her hands and knees on the bed and I stood by the edge of the bed and started to slap her bum with the palm of my hand. At first I did it very gently, and she liked that, and soon her juices were dripping down from her cunt lips.

Then I started to slap her bum just a little harder, and more and more cream bubbled from her cunt lips, and she started to climax. Then I slapped harder still, and she loved that, she really did, and the orgasms flooded through her thick and fast. She wasn't a bad fuck either, her cunt was nice and tight and really hot and wet. She didn't have many orgasms when I fucked her, but then again, her kick was being slapped.

Well I'm coming to the end of my time, for in a few moments I am expecting a girl to come round to my place, a girl called Trisha, who wrote to me after seeing my advert in a contact magazine. She wrote to me to say that she was a contortionist, that she could bend over backwards so far that she could put her head between her legs and then push her tongue into her own cunt hole, and that I just have to see.

Well, if she turns out to be that good, if in fact she really can suck her own cunt, then I'll write another story about it, another true story, for everything I have said has been the truth, the whole truth and nothing but the truth.

So, if you are thinking about using a contact magazine to get sex, good hard sex, then take my advice. Contact magazines are the best way to find women, but only if you use the right ones. If you want to advertise and hope that many women will reply to you, then you will have that hope realised if you advertise in contact magazines sold in Private Shops.

If you can't be bothered to advertise, if you just want to buy contact magazines and write off to women who advertise, then you want to be sure that your letters will be passed on to the women in question, and the only way to do that, the only way to be really sure, is to buy the contact magazine in Private Sex Shops, for as I have said, they check all the magazines out before they put them on sale. I have had many women, many dozens of randy kinky women, women I have met through contact magazines. Why don't you join me, why don't you buy one at a Private Sex Shop and see what happens?

You'll find a full list of all the Private Sex Shops in the country on the back cover of this magazine... Editor.
